MEDICAL PRACTICE ACT.

CHAPTER 165 OF THE GENERAL LAWS.

(As amended November, 1901.) Of the Practice of Medicine.

Section 1. It shall be the duty of each town and city clerk to purchase a book of suitable size, to be known as the "medical register" of each city or town, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the city or town the said clerk shall make a note of the same at the bottom of the page, and shall on the first day of January in each year transmit to the office of the State Board of Health a duly certified list of the physicians of said city or town registered under this chapter, together with such other information as is hereinafter required, and perform such other duties as are required by this chapter; and such clerk shall receive the sum of 50 cents from each physician so registered, which shall be his full compensation for all duties required under this chapter.

Sec. 2. It shall be unlawful for any person to practice medicine or surgery in any of its branches within the limits of this state who has not exhibited and registered, in the city or town clerk's office of the city or town in which he or she resides, his or her authority for so practicing medicine as herein prescribed, together with his or her age, address, place of birth and the school or system of medicine to which he or she proposes to belong; and the person so registering shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if wilfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this chapter shall be a certificate from the State Board of Health, and said board shall, on application, after examination, issue a certificate to any reputable physician who intends to practice medicine or surgery in this state and who shall present himself before the State Board of Health and pass in a satisfactory manner such examination as said board may require. Any physician so presenting himself shall pay to said board the sum of $10 for each examination, and said fee shall in no case be returned, but shall be applied to pay the expenses of said Board of Health in conducting such examinations. Each certificate so issued shall be signed by the president and countersigned by the secretary of said board and shall be attested by the official seal, and not more than $2.00 shall be charged for a certificate.

Sec. 4. Nothing in this chapter shall be construed as to authorize any itinerant doctor to register or to practice medicine in any part of this state.

Sec. 5. The board may, after due notice and hearing, in its discretion, refuse to grant the certificate provided for in section 3 of this chapter to any physician who is not of good moral character, or who has violated any of the laws of the state, or who has been guilty of gross unprofessional conduct or conduct of a character likely to deceive or defraud the public, and may, after due notice and hearing, revoke any certificate issued or granted by it heretofore for like cause or for any fraud or deception committed in obtaining such certificate, or for any other cause which in the opinion of said board shall render the holder of such certificate an unfit person to practice medicine in this state. The members of said board are hereby severally authorized to administer oaths, and said board, in all cases or proceedings pending before it, is hereby authorized and empowered to summon witnesses by subpoena signed by the secretary of said board, and to compel such witnesses to attend and testify in the same manner as witnesses are compelled to appear and testify in either division of the Supreme Court; and said board is authorized to compel the production of all papers, books, documents, records, certificates or other legal evidence that may be necessary or proper for the determination and decision of any question or the discharge of any duty required by law by said board, by issuing a subpoena "quam duces tecum" signed by the secretary; and every person disobeying any such writ shall be considered as in contempt, and said board may punish any contempt of its authority in like manner as contempt may be punished by either division of the Supreme Court. Any person who shall wilfully swear falsely in any proceeding, matter or hearing before said board shall be deemed guilty of the crime of perjury. Said board shall serve a copy of its decision or ruling on any person whose certificate has been refused or revoked. Any person aggrieved by any decision or ruling of said board may, within ten days after receiving said notice, exclusive of Sundays and legal holidays, take an appeal therefrom to the appelate division of the Supreme Court, sitting at Providence, and shall file therein his reasons for appeal, and serve copy thereof on the secretary or person performing the duties of secretary of said board; and said appelate division of the Supreme Court shall, as soon as may be, hear and determine said appeal.

Sec. 6. Nothing in this law shall be so construed as to discriminate against any particular school or system of medicine, or to prohibit gratuitous services in case of emergency; nor shall this chapter apply to commissioned surgeons of the United States Army, Navy or Marine-Hospital Service, or to legally qualified physicians of another state, called to see a particular case, in consultation with a registered physician of this state, but who do not open an office or appoint any place in this state where they may meet patients or receive calls.

Sec. 7. Complaints for violation of the provisions of this chapter shall be made by the secretary of said board, and said secretary shall be exempt from giving surety for costs on any complaint made as aforesaid.

Sec. 8. Any person who, not being then lawfully authorized to practice medicine within this state, and so registered according to law, shall practice medicine or surgery or attempt to practice medicine or surgery, or any of the branches of medicine or surgery, after having received therefor or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation, or who shall open an office with intent to practice medicine or shall hold himself out to the public as a practitioner of medicine, whether by appending to his name the title of doctor or any abbreviation thereof, or M. D., or any other title or designation implying a practitioner of medicine, or in any other way, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined $50, and on each and every subsequent conviction shall be fined $100 and imprisoned thirty days, either or both, in the discretion of the court; and in no case when any provision of this chapter has been violated shall the person so violating such provision be entitled to receive compensation for services rendered.

MEDICAL PRACTICE ACT.

AN ACT

To regulate the Practice of Medicine in South Carolina, to provide for a State Board of Medical Examiners and to define their duties and powers.

Section 1. Be it enacted by the General Assembly of the State of South Carolina, That on and after the approval of this Act no person shall practice medicine or surgery within the state unless he or she is twenty-one years of age, and either has been heretofore authorized so to do, pursuant to the laws in force at the time of his or her authorization, or is hereafter authorized to do so by subsequent subdivisions of this Act.

Sec. 2. Any person shall be regarded as practicing medicine, within the meaning of this Act, who shall treat, operate on or prescribe for any physical ailment of another, except those engaged solely in the practice of osteopathy. But nothing in this Act shall be construed to prohibit service in cases of emergency or the domestic administration of family remedies.

Sec. 3. There shall be established a State Board of Medical Examiners, composed of eight reputable physicians or surgeons, one from each of the seven Congressional Districts and one from the state at large, to be nominated by the State Medical Association and appointed and commissioned by the Governor. The term of office of the members of the board shall be for a period of two years and until their successors in office shall have been appointed and qualified. Any vacancy in said Board of Examiners by death, resignation or otherwise shall be filled in the same manner as above specified; provided, that the Governor shall have the right to reject any or all of the members nominated on satisfactory showing as to the unfitness of those rejected. In case of such rejection former members of the board shall hold over until their successors can be chosen in the manner as above provided.

The members of the board first appointed under the provisions of this section shall be divided into two classes. The first class to consist of the four members from the odd number Congressional Districts of the state and the second class of the remaining four members, the three from the even number Congressional Districts, with the one from the state at large. The first class shall hold office under the said first appointment for the period of two years, until 1905; the second class for one year from the date of their appointment, until 1904. Thereafter the term of office of the first class shall expire on each odd number year of the calendar, and those of the second class on each even number year of the calendar; provided, further, that the first nomination herein provided for shall be held at the next annual meeting of said State Medical Association, and the members of the present board shall continue in office until their successors are appointed and have qualified, as hereinbefore provided. The Governor shall appoint three competent homeopathic physicians from the state at large, who shall constitute a State Board of Homeopathic Medical Examiners, whose term of office, powers, duties, modes of procedure and compensation shall be the same as those of the regular State Board herein provided for; provided, that no applicant who has failed or who may hereafter fail in his examination by the State Board of Medical Examiners shall be allowed to present himself or herself before the State Board of Homeopathic Examiners for examination; provided, further, that no graduate of any medical college requiring less than a four years' course of study will be eligible for examination before this board.

Sec. 4. Said Board of Medical Examiners shall meet regularly at Columbia, S. C., on the second Tuesday in June of each year and continue in session until all applicants are duly examined.

A majority of said board shall constitute a quorum for the transaction of business.

At their first meeting they shall organize by the election of a chairman and a secretary, who shall also be treasurer, and said board shall have power to call extra meetings when necessary, and to make all necessary by-laws and rules for their government.

Sec. 5. It shall be the duty of said board, when organized, to examine all candidates for examination, as hereinafter provided and described, and to pass on their qualifications and fitness to practice medicine in this state, and to give to each successful applicant a certificate to that effect, on the payment of $10 to the treasurer of said board. Such certificate of qualification shall entitle the holder or holders thereof, respectively, to be registered as a lawful practicing physician by the clerk of the court of the county in which he or she, or they, may reside, on payment to said clerk of the court a fee of 25 cents for each registration. No physician will be considered as a legally qualified practitioner, or as having fully complied with the law, until he shall have obtained said registry. In the interim between the meetings of the board the president and secretary of the board shall be allowed to grant temporary license to practice medicine until the next regular meeting of the board to such persons as would, under the above sections, be eligible for examination. Said temporary license shall not entitle the holder to registry with the clerk of court of the county in which he resides, but at the next regular meeting of the board the applicant must come up for the regular examination for permanent license.

Sec. 6. All persons who hold diplomas from any medical college or schools of established reputation, given prior to the passage of this Act, and who present certificates of their good moral character and of their sobriety from some reputable person or persons known to the board, and who give evidence of sufficient preliminary education (equivalent to the possession of a teacher's first grade certificate), shall be eligible for examination before the board, irrespective of their time of attendance on medical lectures; but no person who shall graduate after the passage of this Act shall be eligible to appear before the board for examination unless he or she shall give evidence, in addition to sufficient preliminary education, that he or she has attended four full courses of lectures of at least twenty-six weeks each, no two courses being in the same year, and has received a diploma of M. D. therefrom.

In 1905 the South Carolina Medical Law was amended by adding the following provision to Section 6:

Provided, That nothing in this Act contained shall be construed to prevent the State Board of Medical Examiners from admitting as eligible for examination before said board, on both the junior and senior curriculum prescribed in Section 7 of this Act, any person who satisfies said board that he or she had been regularly admitted to advanced standing in some medical college or school of established reputation, requiring a four years' course of study, and had received a diploma of M.D. therefrom, and is otherwise eligible under the provisions of this Act.

Sec. 7. The Curriculum of the State Board of Medical Examiners shall be divided into two sections; the first comprising the junior or primary branches of medical education, hereafter to be designated as the Junior Curriculum. The second, comprising the senior and clinical portion of medical education, hereafter to be designated as the Senior Curriculum. The Junior Curriculum shall comprise the following branches, namely:

1. General anatomy.
2. Physiology and histology.
3. Materia medica and medical botany.
4. Chemistry, organic and inorganic, and medical physics.
5. Bacteriology and pathology.

The Senior Curriculum shall comprise:

1. Anatomy, regional or surgical.
2. Practical hygiene and sanitary science, state medicine.
3. Practical uranalysis, urinary microscopy.
4. Therapeutics.
5. Surgery, general and special, surgical procedure.
6. Practical medicine and diseases of children.
7. Practical obstetrics and gynecology.
8. Medical jurisprudence and toxicology.

Said examinations shall be conducted either in writing or orally, or both, at the discretion of the board.

Sec. 8. All applicants before the board, holding a diploma from a four-year graded medical college of established reputation, whether in or out of the state, who have pursued a study of four separate courses, and have attained a mark of not less than 75 per cent. on each individual branch of their curriculum, as evidenced by certificate from the dean of their college, shall be exempted from examination in the Junior Curriculum, and shall be examined only on those subjects contained in the Senior Curriculum, as heretofore outlined. Those applicants who hold diplomas issued by chartered medical colleges, but whose term of attendance has been less than four years, as above stated, must pass on both the Junior and Senior Curriculum, as must also those attending a four years' course who can not produce a certificate showing that they have attained a mark of 75 per cent. on all the branches of their college curriculum.

Sec. 9. The board shall be empowered, without examination, to indorse, on receipt of the license fee of $10, the licenses issued by other State Boards having an equal standard; provided, said other boards accord to the licenses of the South Carolina State Board the same courtesy; and said other State Board licenses, when indorsed, shall entitle the holder to registry in this state and to all the rights and privileges thereby granted.

Sec. 10. The standard required by the State Board of Medical Examiners shall be an average of not less than 75 per cent. on all the branches examined on, and not less than 60 per cent. on any individual branch.

Sec. 11. The board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, time spent in the study of medicine, and the name and location of all institutions granting such applicant's degrees or certificates of lectures in medicine or surgery. Said books and register shall be prima facie evidence of all the matters therein recorded.

Sec. 12. The members of said Examining Board shall receive for their services the same per diem and mileage as is paid to the members of the General Assembly for each day engaged. Said compensation to be paid from the state treasury, on the certificate of the president of the board, countersigned by the secretary. The license fees collected from applicants shall be turned into the state treasury. There shall be set aside from said fees each year the sum of $50 (if so much be needed) as a contingent fee for the purpose of supplying the secretary with necessary stamps and stationery and to print the proceedings of the board.

Sec. 13. It shall be unlawful for any person or persons to practice medicine in this state who has failed to comply with the provisions as above recited, and any one violating the provisions of this Act shall be deemed guilty of a misdemeanor, and for each offense, on conviction by any court of competent jurisdiction, shall be fined in any sum not less than $50 nor more than $300, or imprisonment in the county jail for a period of not less than thirty nor more than ninety days, or both, at the discretion of the court; one-half of said fine to go to the informant, and the other half to the state; provided, that dentists and midwives and those engaged solely in the practice of osteopathy shall not be subject to the provisions of this section. Nothing contained in this Act shall in any way affect or apply to physicians and surgeons who have already regis-

tered in accordance with the law now of force, nor shall it apply to commissioned medical officers of the United States Army or Navy or the United States Marine-Hospital Service, nor shall it include physicians or surgeons residing in other states and called in consultation in special cases with physicians or surgeons residing in this state, nor to physicians or surgeons residing in this state, graduates of any reputable college, who have been practicing medicine for five years; provided, that nothing contained in this Act shall in any way affect any person having a diploma from any legally chartered and regularly conducted school of osteopathy; provided, further, that nothing in this Act shall be so construed so as to allow osteopaths to prescribe medicines and practice surgery; provided, further, that the said osteopaths submit their diplomas or certificates of graduation from such college to the State Board of Medical Examiners, who shall grant a permit to practice osteopathy without examination on the payment of a fee of $5.00 to said board.

Sec. 14. In no case wherein the provisions of this Act shall have been violated shall any person so violating be entitled to receive a compensation for services rendered. But all persons now practicing, in accordance with the law now of force, or who may hereafter practice medicine or surgery, as herein provided, shall be entitled to charge, sue for and collect for their services.

Sec. 15. On the refusal of the said board to grant a license to any applicant an appeal may be had to the Governor, who may order a re-examination of the applicant, to be held in the presence of the dean of the faculty of any medical college in this state and a committee composed of seven practicing physicians.

Sec. 16. All Acts and parts of Acts inconsistent herewith are hereby repealed.

Approved the 27th day of February, A. D. 1904.

MEDICAL PRACTICE ACT.

Approved March 5, 1903.

AN ACT

To Establish a Board of Medical Examiners, making an appropriation for the same, regulating the practice of medicine, surgery and obstetrics, providing for licensing physicians and surgeons and providing for penalties for violations of such regulations of the practice of medicine, surgery and obstetrics.

Be it enacted by the Legislature of the State of South Dakota:

Section 1. Board Created. There is hereby created a Board of Medical Examiners for the purpose of examination, regulation, licensing and registration of physicians and surgeons in the State of South Dakota. Said board shall consist of seven members, who shall have been residents of the State of South Dakota for not less than five years preceding their appointment, not more than two of whom shall be from the same county.

Sec. 2. Governor to Appoint. The governor shall, immediately on the taking effect of this act, appoint seven skilled and capable physicians, who shall constitute said board, two of whom shall hold their office for one year, two for two years and three for three years from the date of their respective appointments and until their successors are appointed, and the governor shall each year thereafter, on or before the first day of April, appoint for the term of three years two or three, as the case may be, skilled and capable physicians to fill the vacancies caused by the expiration of the terms of such members, as above provided. The governor shall fill by appointment all vacancies occasioned by death or otherwise.

Sec. 3. Board—Of Whom Consist. The said board shall consist of not more than four members from the school known as regular, not more than two from the school known as homeopath and not more than one from the school known as eclectic. Five members of this board shall constitute a quorum for the transaction of business.

Sec. 4. Meeting of—Election of Officers—Bond of. The board shall meet at Huron, S. D., at a date to be named by the governor, for organization, in 1903, and shall elect from their number a president, vice-president and secretary, who shall also act as treasurer, and all officers shall be elected annually thereafter. Said board shall procure a common seal. The secretary and treasurer shall execute a bond to the State of South Dakota in the penal sum of two thousand dollars ($2,000), with two or more sufficient sureties. Said bond shall be conditioned upon the faithful discharge of his duties, and shall be approved by the governor.

Sec. 5. Meetings—When Held. The board shall hold two regular meetings each year, beginning on the second Wednesday of July and the second Wednesday of January of each year, and such additional meetings at such times and at such places as the board may deem advisable. The board shall have power to make rules and regulations for the government of said board and its officers, and for the proper discharge of its duties.

Sec. 6. Record Must Be Kept. Said board shall keep a record of all proceedings thereof and also a record or register of all applicants for a license, together with his or her age, time spent in the study of medicine, and the location and name of all the institutions granting to such applicants degrees or certificates of lectures in medicine or surgery; such register shall also show whether such applicant was rejected or licensed under this act; said record or register shall be prima facie evidence of all matters therein recorded. No member of the said board shall belong to the faculty of any medical college or university, nor shall any one of them be financially interested in the manufacture or sale of drugs or the practice of pharmacy.

Sec. 7. Application for License—Qualification of Applicant. On and after the taking effect of this act all persons desiring to begin the practice of medicine or surgery or obstetrics in any of their branches in this state shall make application to said board for a license to practice medicine, surgery or obstetrics in the State of South Dakota. Such license shall be granted to such applicants who shall give satisfactory proofs of being at least twenty-one (21) years of age and of good moral character, but only on compliance of the following conditions: The applicant shall be given such license if he shall pass an examination before the board on the following subjects: Anatomy, physiology, chemistry, pathology. therapeutics, practice of medicine, surgery, obstetrics, gynecology, disease of the eye and ear, bacteriology, medical jurisprudence and such other branches as the board may deem advisable, and in addition thereto shall present evidence of having attended four full courses of lectures of at least twenty-six (26) weeks each in a legally organized and reputable medical college, recognized by the Board of Medical Examiners, no two courses being in the same year, and of having received a diploma from a legally organized and reputable medical college, which shall be in good standing, as shall be determined by the board, and said diploma must be submitted to the board for inspection and verification, provided that the four courses of lectures of six months each shall not apply to applicants who graduated prior to 1898.

Sec. 8. Examination — How Conducted. Said examination shall be conducted as follows: First, the applicant shall, before being permitted to take the examination, pay the secretary of the board an examination fee of twenty dollars ($20). Second, the examination shall be in writing, oral or both, as the board may determine. Third, the questions on all subjects except therapeutics and practice of medicine shall be such as may be answered alike by all schools of medicine. The applicant shall, if possible, be examined in therapeutics and practice of medicine by those members of the board belonging to the same school as the applicant, and a license and certificate shall not be refused any applicant because of his adherence to any particular school of medicine. The average percentage of at least 75 per cent. of correct answers shall be required of every applicant. Any applicant who shall not pass the said examination shall be eligible to a second examination at the next regular meeting of the board or at such time as the board may designate without an additional examination fee.

Sec. 9. License. Said board shall grant a license to practice medicine and surgery and obstetrics in all their branches in the State of South Dakota to each applicant who has satisfactorily passed the said examination and has fulfilled all other requirements of this act. Said license can only be granted by the consent of not less than five (5) members of the said board, and which said license shall be signed by the president and secretary of the said board and attested by the seal of the board. All examination papers, together with the lists of questions answered, shall be kept for reference and inspection for a period of not less than three (3) years.

Sec. 10. License Without Examination—When. The said board may, in its discretion, accept and license on the payment of the license fee without examination of the applicant, any license which shall have been issued to him by the examining board of the District of Columbia or any state or territory of the United States; provided, however, that the legal requirements of such examining board shall have been at the time of issuing such certificate or license in no degree or particular less than those of the State of South Dakota at the time when such certificate or license shall be presented for registration to the board created by this act; and provided, further, that the provisions of this section contained shall be held to apply only to such of said medical examining boards as accept and register the certificate or license granted by this board without examination by them of the persons holding such certificate or license. Each applicant, on making application under the provision of this section, shall pay to the secretary of the board a license fee of twenty dollars ($20).

Sec. 11. Board May Refuse to Grant License. The board shall have the power and authority to refuse to grant a license under this act for unprofessional, immoral or dishonorable conduct on the part of the applicant. The action of the board in refusing to grant a license under this act shall be final.

Sec. 12. May Revoke License. That board shall have the power and authority to revoke any license of any physician or surgeon heretofore or hereafter granted or issued upon complaint made to it on oath by one responsible person if it shall satisfactorily appear to the board either, first, that such physician or surgeon has been guilty of unprofessional, immoral or dishonorable conduct; or, second, that such physician or surgeon has been convicted of a felony; or, third, if such physician or surgeon publicly professes or claims to cure or treat disease, injury or deformity in such a manner as to deceive the public; or, fourth, gross professional incompetency; provided that such license shall not be revoked except after a hearing before the board of medical examiners, at which at least five members of such board shall be present and of which hearing the person holding the license to be revoked shall have had not less than ten days' written notice of the time and place of said hearing, and only on due proof of the facts stated in the complaint.

Sec. 13. Unprofessional or Dishonorable—Meaning of. The words unprofessional or dishonorable conduct as used in sections 11 and 12 of this act are hereby declared to mean, first, procuring or aiding or abetting a criminal abortion; second, the employing of what are known as cappers or steerers; third, the obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured; fourth, wilfully betraying a professional secret; fifth, all advertising of medical business in which untruthful or improbable statements are made, or which are calculated to mislead or deceive the public; sixth, all advertising of any medicine or any means whereby the monthly periods of women can be regulated or the menses re-established if suppressed; seventh, conviction of any offense involving moral turpitude; eighth, habitual intemperance.

Sec. 14. Persons Aggrieved May Appeal. All persons feeling aggrieved by the action of the board in revoking their license may appeal to the circuit court of the county in which the person whose license is revoked resides, in the same manner as now provided by law in cases of appeal from the decision of a board of county commissioners, and the perfection of such appeal shall operate as a stay to the revocation of said license until the final determination thereof by the court; provided, however, that at any time during the pendency of such appeal the said board may appeal to the court for a temporary injunction restraining the appellant from the practice of medicine, surgery or obstetrics until the final determination and judgment on such appeal, which said injunction may, in the discretion of the court, be issued without the requirement of any bond.

Sec. 15. License Must Be Recorded. The person receiving a license to practice shall have the same recorded in the office of the register of deeds in the county where he resides and practices. The said register of deeds shall, in July and January of each year, furnish the secretary of the State Board of Medical Examiners a list of all licenses so recorded.

Sec. 16. Moneys Must Be Paid to State Treasurer. All moneys received by the said board shall be paid to the state treasurer and shall be credited to the general fund of the state, and a receipt in duplicate for the same shall be filed with the secretary of said Board

of Medical Examiners and in the office of the state auditor.

Sec. 17. Compensation of Members of Board. Each member of the board shall receive as compensation the sum of five dollars ($5) per day for each day actually in attendance on the meetings of the board and 5 cents for every mile necessarily traveled and his necessary expenses while attending such meetings. The secretary of the Board of Medical Examiners shall receive as compensation for his services the sum of eight hundred dollars ($800) per annum, which salary shall be in full for his services as a member of the board. All bills for stationary, postage and other necessary expenses shall be approved by said board and sent to the auditor of the state, who shall draw his warrant on the state treasurer for the amount due.

Sec. 18. Medical Board Fund Established. There is hereby established a fund, to be known as the medical board fund, and the sum of four thousand dollars ($4,000) is hereby appropriated out of the moneys in the state treasury not otherwise appropriated to meet the expenses of carrying out the provisions of this act for two years, namely, two thousand dollars ($2,000) for the year beginning Feb. 15, 1903, and ending Feb. 14, 1904, and two thousand dollars ($2,000) for the year beginning Feb. 15, 1904, and ending Feb. 14, 1905. And the state treasurer is hereby directed and required to set such sum apart to the credit of such fund, subject to the orders and disbursements as herein provided for. The money in the said fund shall only be paid out by the state auditor's warrant on said fund and on an order drawn by the secretary of the said board and countersigned by the president.

Sec. 19. Itinerant Physicians Must Procure Itinerant Licenses. Any physician practicing medicine, surgery or obstetrics or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or method, who goes from place to place or from house to house, or by circulars, letters or advertisements solicits persons to meet him or her for professional treatment at places other than his office at the place of his permanent residence, is hereby declared to be an itinerant physician, and shall, in addition to the ordinary physician's license, as in this act provided, procure an itinerant's license from the State Board of Medical Examiners, for which he shall pay to the secretary of the board the sum of five hundred dollars ($500) per annum; on the payment of said sum of five hundred dollars ($500) the board shall issue to the applicant therefor a license to practice within the state as an itinerant physician for one year from the date thereof. The board may, for the same reasons as specified in sections 11, 12 and 13 of this act, refuse to issue such itinerant's license, or, having issued it, may revoke it for the same reasons as specified in sections 11, 12 and 13 hereof.

Sec. 20. Penalty for Practicing Without a License. Any person practicing medicine, surgery or obstetrics in any of their branches as an itinerant physician, as in section 19 hereof defined, without having procured such itinerant license, shall be guilty of a misdemeanor and on conviction thereof shall be punished by a fine of not less than five hundred dollars ($500) nor more than eight hundred dollars ($800) or imprisonment in the county jail not less than thirty days nor more than ninety days, or by both such fine and imprisonment.

Sec. 21. Unlawful to Use Title and Prescribe—When. When a person shall append or prefix the letters M.B. or M.D., or the title Dr. or doctor, or any other sign or appellation in a medical sense, to his or her name, or shall profess publicly to be a physician or surgeon, or who shall recommend, prescribe or direct for the use of any person any drug, medicine, apparatus or other agency for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture or bodily injury or deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation, shall be regarded as practicing within the meaning of this act.

Sec. 22. This Act Not Applicable—When. This act shall not apply to the commissioned surgeons of the United States army, navy or marine-hospital service in actual performance of their duties, nor to regularly licensed physicians or surgeons from outside this state in actual consultation with physicians of this state, nor to dentists or osteopaths in the legitimate practice of their profession, nor to Christian Scientists as such, who do not practice medicine, surgery or obstetrics by the use of any material, remedies or agencies, nor to resident physicians and surgeons of this state regularly licensed and practicing in this state at the time of the taking effect of this act; provided, however, that the license heretofore or hereafter granted to any physician or surgeon may be revoked for the same reason and in the same manner as stated and provided in sections 12 and 13 hereof.

Sec. 23. Presentation of Fraudulent Diplomas—Penalty. Any person who shall present to the Board of Medical Examiners a fraudulent or false diploma, or one of which he is not the rightful owner, for the purpose of procuring a license as herein provided, or who shall file or attempt to file with the register of deeds of any county in the state a license of another, representing the same to be his own, or shall falsely personate any one to whom a license has been granted, or who shall file or attempt to file with the register of deeds of any county in this state a license of another with the name of the party to whom it was granted or issued erased, and his own name inserted in its place, or who shall file or attempt to file with the Board of Medical Examiners any false or forged affidavits of identification, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than fifty dollars ($50) nor more than one hundred dollars ($100), or by imprisonment in the county jail for a period of not more than thirty days, or by both such fine and imprisonment.

Any person who shall practice medicine or surgery or obstetrics in any of their branches in this state without having obtained a license as in this act provided, and had such license recorded in the office of the register of deeds of the county in which such person resides and practices, as hereinbefore provided, shall be guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than fifty dollars ($50), nor more than one hundred dollars ($100), or by imprisonment in county jail for a period of not more than thirty days, or by both such fine and imprisonment; provided that the provisions of this section shall not apply to the provisions of sections 19 and 20 of this act, nor modify or change the penalties prescribed in section 20 hereof.

Sec. 24. Duty of State's Attorney. It shall be the duty of the state's attorney to prosecute any and all violations of this act committed in his county.

Sec. 25. Repeal. All acts and parts of acts in conflict with the provisions of this act are hereby repealed.

Sec. 26. Emergency. An emergency is hereby declared to exist, and this act shall take effect and be in force from and after its passage and approval.

Approved March 5, 1903.

MEDICAL PRACTICE ACT.

A BILL

To be entitled, An Act to regulate the practice of medicine and surgery in the State of Tennessee, and to define and punish offenses committed in violation of this Act; and to repeal an Act passed April 3, 1889, and approved April 4, 1889, and being Chapter 178 of the Acts of 1889, entitled "An Act to regulate the practice of medicine and surgery in the State of Tennessee;" and to repeal all Acts amendatory to said Chapter 178 of the Acts of 1889.

Section 1. Be it enacted by the general asembly of the State of Tennessee, That no person shall practice medicine in any of its departments within this state unless and until such person shall have obtained a certificate of license from the State Board of Medical Examiners hereinafter created, and shall have recorded it in the County Clerk's office in the county or counties in which he proposes to practice; Provided, however, that the provisions of this Act shall not apply to any person or persons who at the time of its passage are duly and regularly licensed by law to practice medicine in any of its branches in this State.

Sec. 2. Be it further enacted, That there shall be a Board, to be known as the State Board of Medical Examiners, and to consist of six graduate physicians of not less than 6 years' experience each in the practice of medicine or surgery, one or both, two of whom shall reside in each grand division of the State, and whose duty it shall be to examine into the qualifications of all applicants for certificates of license to practice medicine or surgery in this State; Provided, however, that the three schools of medicine shall be represented on said Board of Examiners as follows: Four representatives from the regular school of medicine, one from the eclectic, one from the homeopathic school of medicine; and, provided, also, that no member of said Board shall be connected with any medical college of the State or State Board of Health.

Sec. 3. Be it further enacted, That the members of said Board shall be appointed by the Governor, and shall hold office for a term of four years; but all vacancies occurring in the Board by reason of death or resignation shall be filled by the Board itself for the unexpired term; Provided, however, that the first Board shall be appointed upon the expiration of the term of the present Board, shall be appointed as the term of the present members of the Board expires, and shall within thirty days from said appointment meet and organize, and shall serve, one from each grand division of the State, for two years, and one from each grand division for four years, deciding by lot or agreement among themselves as to their respective terms of office.

Sec. 4. Be it further enacted, That the State Board is authorized to elect from its own members a President and Secretary, and to create other offices and to adopt such by-laws as may be necessary and proper for the efficient operations of the Board. Three members shall constitute a quorum, and a majority of those present shall be necessary to reject any application; but such rejection shall not bar the applicant from a re-examination after the lapse of six months.

Sec. 5. Be it further enacted, That a regular meeting of the Board shall be held once each year in the city of Nashville, Tennessee, so long as the period of temporary licenses hereinafter provided for shall continue, and shall thereafter be held semi-annually in the said city of Nashville; but special meetings may be held oftener upon the call of the President.

Sec. 6. Be it further enacted, That persons desiring to obtain a certificate of license to practice medicine or surgery in this State shall make application therefor in writing to said State Board of Medical Examiners, which application shall be accompanied by the examination fees hereinafter prescribed, and by satisfactory proof that the applicant is of good moral character. When these preliminary requirements are satisfied, the applicant shall then present himself before the Board for examination upon the following branches, viz.: Anatomy, physiology, chemistry, pathology, surgery, obstetrics, materia medica, and practice; but the member or members of the Board representing each separate school of medicine shall have the right to examine all applicants of that school in the branches peculiar to the teachings of that school, and the Board shall accept the grade placed by such member or members upon such special branches; Provided, however, that graduates of any reputable medical college in the State of Tennessee shall, until June 1, 1902, be granted a certificate of license by said Board without reference to the number or lengths of terms attended, and without examination hereinabove prescribed; but this proviso shall cease and determine after June 1, 1902.

Sec. 7. Be it further enacted, That the two members of said Board in each grand division of the State shall, at such time or times as the Board may direct, meet at some convenient point in their respective divisions for the purpose of examining applicants for permanent licenses. Such meetings shall be held at stated periods, and the questions to be propounded upon such examinations shall have been determined upon in advance by the Board, and shall be identical in each division; and such examination shall be held on the same day in each division, and under uniform rules and regulations, to be adopted by the Board. The examination papers shall be sealed up and carried to Nashville to the annual meeting of the Board, at which time they shall be examined, graded, and passed upon by the Board in annual session, and the results declared and certificates issued to those entitled to receive them. The Board, or any of its respective sections, may, at the option of the members, supplement such written examination by an oral examination, and the recorded value of such oral examination may be given such importance as each member of the Board sees fit.

Sec. 8. Be it further enacted, That, if the applicant for examination shall thereupon be found worthy and competent by the Board, it shall issue to him a certificate of permanent license, in accordance with the facts in each case, to practice medicine or surgery in this State.

Sec. 9. Be it further enacted, That, in order to prevent delay and inconvenience, the two members of the Board of any grand division of the State may grant a certificate of temporary license to any applicant who is permanently located as a resident of some designated place in that division of the State, upon satisfactory evidence to them that such applicant possesses the qualifications hereinabove required, and upon examination by them of such applicant in the subjects named in Section 6 of this Act, and make report thereof to the next regular meeting of the Board. Such temporary license shall not continue in force longer than until the conclusion of the next regular meeting of the Board, and shall in no case be granted within six months after the applicant has been refused a certificate of license by the Board; Provided, that after January 1, 1903, no certificate of temporary license shall be issued. (The Legislature of 1903 extended the Temporary License provision indefinitely.)

Sec. 10. Be it further enacted, That the Board of Examiners shall keep a record of their proceedings in a book for that purpose, which book shall be open for inspection, and shall record the name of each applicant, the time of granting a certificate of license, the names of the members of the Board present; and where a certificate of license is denied by the Board to any applicant under authority of this Act, the fact and ground of such denial shall be entered on the minutes of the Board, and shall be communicated in writing to such applicant.

Sec. 11. Be it further enacted, That the Board is empowered to demand a fee of ten dollars for an examination for a certificate of permanent license, and five dollars for an examination for a certificate of temporary license, and to demand for the issuance of a certificate of permanent license five dollars, and for the issuance of a certificate of temporary license one dollar.

Sec. 12. Be it further enacted, That any person thus receiving a certificate of license, whether permanent or temporary, from the State Board of Medical Examiners shall forthwith have it recorded in the office of the County Court Clerk of the county in which he proposes to practice, and the date of such recording shall be endorsed thereon; and such license, when so recorded, shall not be collaterally questioned in any legal proceeding. Until the license is recorded the holder shall not exercise any of the rights or privileges therein conferred, and in case said license is not recorded within three months from the date of its issuance, it shall become invalid. The Clerk shall be paid a fee of fifty cents for recording such certificate. Any registered physician removing his residence from one county in this State to another, in order to practice medicine, shall in like manner record the certificate of license in the county to which he removes, and the holder of the certificate shall pay to the County Court Clerk the usual fee for so doing. Practitioners who have registered in the county in which they reside may go from one county to another on professional business without being required to register.

Sec. 13. Be it further enacted, That the County Clerk of each county shall keep, in a book to be provided for that purpose, a complete list of the certificates of license recorded by him, together with the date of each, and the date of recording. He shall, further, record the name of the medical college which conferred the diploma on which the certificate is based, and the date when conferred; and the Clerk shall hereafter, beginning with the first Monday in July, 1901, and regularly at the expiration of every six months thereafter, report to the Secretary of the said Board of Medical Examiners a list of such registrations in his office, together with a list of the deaths and removals from his county of physicians who have thus registered, for which service the Clerk shall be paid, out of the funds of the Board, ten cents for each name so reported. This register of the County Court Clerk shall be open for inspection during business hours.

Sec. 14. Be it further enacted, That the members of said Board shall receive as a compensation for their services ten dollars per day while in the actual service of the Board, and also their actual hotel and traveling expenses by the most direct route to and from their respective places of residence, which, together with the necessary expenses of each meeting of the Board, shall be paid out of any moneys in the treasury of the Board, upon the certificate of the President and Secretary.

Sec. 15. Be it further enacted, That the Board shall have the right and power to revoke any license upon the ground that it was produced by fraud, or that the licensee has been guilty of unprofessional or dishonorable conduct.

Sec. 16. Be it further enacted, That the words, unprofessional or dishonorable conduct, as used in Section 15 of this Act, are hereby declared to mean:

First—By procuring or aiding or abetting in procuring a criminal abortion.

Second—The obtaining of any fees on the assurance that a manifestly incurable disease can be permanently cured.

Third—The wilfully betraying of a professional secret.

Fourth—All advertising or medical business in which untruthful and improbable statements are made.

Fifth—All advertising of medicine or means whereby the monthly periods of women can

be regulated or menses re-established if suppressed.

Sixth—Conviction of any offense involving moral turpitude.

Seventh—Habitual intemperance or excessive use of narcotics.

Sec. 17. Be it further enacted, That it shall be unlawful for any itinerant physician or person, vendor of any drug, nostrum, ointment, or application of any kind, intended for the treatment of diseases or injury, to sell or apply the same; or for such itinerant physician or vendor, by writing, printing, or other methods, to profess to cure or treat diseases or deformity by any drug, nostrum, manipulation, or other expedient in this State, and whoever shall violate the provisions of this section of this Act shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than $100 and not exceeding $400.

Sec. 18. Be it further enacted, That any person who shall not at the time of the passage of this Act be duly and regularly licensed by law to practice medicine or surgery in this State, and who shall, notwithstanding, practice medicine or surgery in this State without having first complied with the provisions of this Act, shall, for each and every instance of such practice, be guilty of a misdemeanor, and, on conviction thereof be fined in the sum of not less than $10 nor more than $25; and any person filing or attempting to file, as his own, a diploma or license of another, or a forged affidavit of identification, shall be guilty of a felony, and upon conviction thereof, shall be subject to the punishment prescribed by law for the crime of forgery. All fines for offenses under this act shall be paid over to the Board of Medical Examiners, to constitute a part of the funds of said Board.

Sec. 19. Be it further enacted, That any person shall be regarded as practicing medicine within the meaning of this Act, who shall treat or profess to treat, operate on, or prescribe for any physical ailment or any physical injury to or deformity of another; Provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry; and this Act shall not apply to surgeons of the United States army, navy, or marine hospital service, or to any registered physician or surgeon of other State when called in consultation by a registered physician of this State, or to midwives, or to veterinary surgeons, or to osteopathists not giving or using medicine in their practice, or to opticians, or the Christian scientists.

Sec. 20. Be it further enacted, That it shall not be lawful for the Board of Medical Examiners, or any member thereof, in any manner whatever, or for any purpose to charge or obligate the State for the payment of any money; and said Board shall look alone to the revenue derived from the operation of this Act for the compensation designated in Section 14 hereof, and, if said revenue is not sufficient to pay each member in full, together with the necessary expenses of the Board, then the amount available shall be pro rated among the members. But, if there should be a greater revenue derived than shall be required to pay the compensation and expenses hereinbefore directed, any surplus remaining therefrom shall be paid to the Comptroller of the State, who shall receipt the Board for the amount so received and shall account for said money as for other State revenue.

Sec. 21. Be it further enacted, That the grand jury of each county in this State is hereby given inquisitorial power over all offenses against or violations of this Act, and the Circuit and Criminal Judges shall give the same in their charges to the grand juries. And the Board shall designate one of its members in each grand division of the State, whose duty it shall be to report any violations of this Act to the proper authorities.

Sec. 22. Be it further enacted, That it shall be a misdemeanor, and shall disqualify from office, for Board of Medical Examiners to issue a certificate of license to any person only as prescribed or set forth in this Act; Provided, however, if the Board should be disqualified from office, the Governor shall appoint a new Board in full as provided in this Act.

Sec. 23. Be it further enacted, That Chapter 178 of the Acts of 1889, entitled, "An act to regulate the practice of medicine and surgery in the State of Tennessee," together with all Acts amendatory thereof, to-wit: Chapter 109 of the Acts of 1891, Chapter 61 of the Acts of 1897, and Chapter 148 of the Acts of 1899, said amendatory Acts of 1889, and all other laws and parts of laws in conflict with this Act, and the same are hereby, repealed.

Sec. 24. Be it further enacted, That this Act take effect from and after its passage, the public welfare requiring it.

Passed April 20, 1901.

E. B. WILSON,
Speaker of the House of Representatives.
NEWTON H. WHITE,
Speaker of the Senate.

Approved April 22, 1901.

BENTON McMILLIN,
Governor.

CHAPTER III.

Medical Practice Act. Approved February 22, 1901.

AN ACT

To repeal Title LXXXII, of the Revised Statutes of the State of Texas, and to pass in lieu thereof this Act: To license physicians and surgeons and endeavor to regulate the practice of medicine, and to punish persons violating the provisions thereof in the State of Texas.

Section 1. Be it enacted by the Legislature of the State of Texas: That Title LXXXII, Article 3777, 3778, 3779, 3780, 3781, 3782, 3783, 3784, 3785, 3786, 3787, 3788, 3789, of the Revised Statutes of Texas, be and are hereby repealed, and the following be enacted:

Sec. 2. There shall be established three boards of medical examiners for the State of Texas, to be named and styled "the Board of Medical Examiners for the State of Texas," "the Board of Eclectic Medical Examiners for the State of Texas," and "the Board of Homeopathic Medical Examiners of the State of Texas," said boards to consist of nine members each, whose terms of office shall be for two years or until tneir successors have been appointed and qualified; provided, that no member shall be a professor or teacher in any medical school.

Sec. 3. The said boards shall each consist of men learned in medicine and surgery now in active practice, who shall have resided in the State of Texas, and shall have practiced medicine for not less than five years prior to their appointment, having complied with the laws relating to the practice of medicine already in force in the State of Texas, and shall be appointed by the governor on the tenth day of May following his inauguration, from a list of names twice the number to be appointed to be furnished him and recommended by the Texas State Medical Association, the Eclectic Medical Society of the State of Texas, the Homeopathic Medical Society of the State of Texas; provided, however, in case the governor shall consider any of the persons so recommended unsuitable he may decline to appoint any such person or persons, and communicate the fact to the presiding officer of the society presenting the nomination, and such society shall, within sixty days thereafter, make other recommendations; and, provided, that no one shall be eligible to appointment or service on such medical board who is addicted to intoxication or the habitual use of morphine, cocaine, or other such drugs. Vacancies occurring in such board shall be filled from the list already in the hands of the governor for unexpired terms.

Sec. 4. The members of such boards shall qualify by taking the usual oath of office before the county judge of the county in which they shall respectively reside. The officers of said board shall be a president; vice-president, and secretary, who shall also act as treasurer. Six members shall constitute a quorum. Regular meetings of the board shall be held at least twice a year at such times and places as the boards may from time to time determine. Due notice of said meetings shall be given by publication in such papers as may be selected by the boards. Special meetings may be held on the call of the president and two members. The board may prescribe rules, regulations and by-laws for their own proceedings and government, and for the examination by its members of applicants for the practice of medicine, surgery and midwifery.

Sec. 5. It shall be the duty of said boards at any of their meetings to examine all persons making application to them who shall desire to commence the practice of medicine, surgery, midwifery, in this state, and who shall not by the provisions of this act be exempt from such examination, and when an applicant shall have passed a satisfactory examination a certificate signed by all members of the board shall be issued to said applicant entitling him or her to practice medicine, surgery, obstetrics, in the state of Texas, and shall have affixed to it the seal of the State of Texas.

Sec. 6. In case any applicant shall fail to pass a satisfactory examination he or she shall not be permitted to stand any further examination within one year thereafter, and in no event shall an applicant who stands rejected by one of said boards be examined or licensed by either of the other boards. If an applicant desires to practice a system not represented by any of the boards hereby established, he or she may elect for himself or herself the board before which he or she will appear for examination; provided, that no applicant shall be rejected because of his or her adherence to any particular school of medicine or system of practice, nor on account of his or her views as to the method of treatment, and cure of disease; and, provided further, when in the opinion of the presidents of the boards any applicant has been unavoidably prevented from appearing before the board at their regular meeting, said president shall, upon notification, appoint a committee of three members to examine such applicant, and if the examination be satisfactory notify the secretary, who shall issue him or her a temporary certificate, which shall have the same force and effect as though granted by the full board until the applicant shall have the opportunity to appear before the board at its next regular meeting, when said temporary certificate shall become void. No applicant shall be admitted to examination who can not submit satisfactory evidence that he or she is more than twenty-one years of age and is of good moral character. Applications for license must be made in writing and presented to the president or secretary of the board before which the applicant desires to appear and must be accompanied by a fee of $15; provided, when an applicant desires to practice for midwifery alone the fee shall be $5.

Sec. 7. The boards of examiners shall keep a record of their proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant, the time spent in medical study in or out of medical schools which have granted said applicant any degree or certificate of attendance upon lectures in medicine; said register shall show also whether said applicant was rejected or licensed and shall be prima facie evidence of all matters contained therein.

Sec. 8. From and after the passage of this amendment it shall be unlawful for any person to practice medicine, surgery or obstetrics in this state, except: 1. All those who were practicing medicine in Texas prior to Jan. 1, 1885. 2. All those who began the practice of medicine in this state after the above date who have complied with the laws of this state regulating the practice of medicine in force prior to the passage of this act, provided that those who had diplomas recorded since Jan. 1, 1891, shall present to the state boards of medical examiners herein provided for satisfactory evidence that their diplomas were issued by bona fide medical colleges of respectable standing, receive a certificate from said boards, which shall be recorded as herein provided for, and provided that no fees shall be required for the issuing of such certificates. 3. All persons who shall hereafter receive certificates from the Board of Medical Examiners of this state, as above provided for, and who shall also in all other respects have complied with the provisions of this act. 4. And provided that all persons who may change their residence to the State of Texas, on filing a true copy of a license granted by the Board of Medical Examiners of another state or territory, certified by the affidavits of the president and secretary of said board, with satisfactory proof of the genuineness of the same, and showing that the standard of requirements of the medical laws of said state or territory and that adopted by said Board of Medical Examiners are equal to that provided for in this Act, and who, on payment of the usual fee of $15, may be registered and receive a license from the Board of Medical Examiners of Texas to practice in this state. 5. And provided further that all persons who desire to hereafter begin the practice of midwifery in this state, and charge for their services, shall make application to the medical examining boards, said application to be accompanied with the fee of $5 as herein provided, and when the said medical examining boards may admit to examination such applicant, and after passing a satisfactory examination in this special branch, will be granted a license to practice midwifery in the State of Texas; provided this shall not apply to those who do not follow midwifery as a profession and who do not advertise themselves as midwives or hold themselves out to the public as practicing the profession of midwifery.

Sec. 9. Any person shall be regarded as practicing medicine or surgery within the meaning of this act who shall profess publicly to be a physician or surgeon and shall offer for practice as such for those needing medical or surgical aid and shall charge therefor money or other compensation. This act shall be so construed as to include persons not pretending to be physicians who offer for sale publicly on the streets or other public places remedies not manufactured and compounded within this state, which they recommend for the cure of disease, but this act shall not apply to any commissioned officer or contract surgeon of the United States Army, Navy or Marine Hospital Service in the performance of their duties as such, nor to any legally qualified and registered dentist under the laws of this state, nor to any lawfully qualified physician or surgeon residing in other states or territories meeting registered physicians and surgeons of this state in consultation.

Sec. 10. The applicant shall be examined in the following branches: Anatomy, physiology, chemistry, materia medica, therapeutics, histology, pathology, practice of medicine, surgery, including diseases of the eye, ear, nose and throat; obstetrics, gynecology, hygiene and medical jurisprudence.

Sec. 11. The fund realized from the fees aforesaid shall be applied, first, to the payment of the necessary expenses of the boards of examiners, each board receiving only such fees as are collected from applicants which appear before said board. In addition to expenses, the secretary shall receive $10 per day while in actual attendance on regular meetings. If any balance be left in the treasury of the boards it shall be divided among the members in attendance as compensation for loss of time.

Sec. 12. Before any person obtaining a license under the provisions of this Act can lawfully practice medicine, surgery or midwifery in this state he or she shall cause the said license to be recorded in the district clerk's office in the county in which he or she offers to practice. The license shall be recorded by the clerk of the district court in a book to be kept for that purpose, which shall be properly indexed. The clerk shall receive from the applicant a fee of 50 cents for recording this instrument.

Sec. 13. Any person who shall practice medicine, surgery or midwifery in this state in violation of the provisions of this Act shall be fined not less than $50 nor more than $500 for each offense, or by both fine and imprisonment not exceeding six months, and it shall not be lawful for him or her to recover by action, suit, motion or warrant any compensation for services which may be claimed to have been rendered by him or her as such physician, surgeon or midwife; provided that the provisions of this Act do not apply to persons treating disease who do not prescribe or give drugs or medicine.

Sec. 14. That title lxxxii of the Revised Statutes of Texas and articles 3777, 3778, 3779, 3780, 3781, 3782, 3783, 3784, 3785, 3786, 3787, 3788, 3789 of said title be and the same are hereby repealed, and all laws and parts of laws in conflict with this Act be and are hereby repealed.

Sec. 15. The fact that there is no law in force adequately providing for the license of physicians, surgeons and midwives creates an

emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended and this Act be placed on its final passage, and it is so enacted.

[Note.—The enrolled bill shows that the foregoing Act passed the House of Representatives by two-thirds vote, yeas 92, nays 2, and passed the Senate by two-thirds vote, yeas 23, nays 0.]

Approved Feb. 22, 1901. Law became effective July 9, 1901.

PHYSICIANS OF TEXAS

EXPLANATORY NOTE.—As three Medical Practice Acts have been in force since 1885, names of physicians are classified as follows: Those in practice prior to Jan. 1, 1885, are marked (Y. of P.). Those registered by County Clerks between Jan. 1, 1885, and Jan. 1, 1891, and those licensed by District Boards from Jan. 1, 1891, to July 9, 1901, are marked (Dip. rec.) or (Cert. rec.). Those licensed after July 9, 1901, are marked (1), with date of license. As many physicians are registered unde two laws, the date does not indicate the year in which the physician began practice. Names without notations are those of physicians concerning whose registration no information has been received.

MEDICAL PRACTICE ACT.

AN ACT

Regulating the Practice of Medicine in the State of Utah.

Be It Enacted by the Governor and Legislative Assembly of the State of Utah:

1728. State Board of Medical Examiners. Appointment. There shall be appointed by the Governor at each regular session of the legislature, by and with the consent of the senate, a state board of medical examiners, which shall consist of seven members, who shall be representative of the various recognized schools of medicine and shall hold office until their successors are appointed and qualified. Each person so appointed shall qualify by taking an oath before a judge of the district court, that he is a graduate of a legally chartered medical college in good standing and will faithfully perform the duties of his office. Vacancies in the board shall be filled by appointment by the Governor within one month from the time the vacancy shall occur.

1729. Organization, Examination and Certificates. Said board shall organize immediately after its appointment by selecting from its members a president, a secretary, and a treasurer. Four members of the board shall constitute a quorum. The board shall have a seal, with which it shall attest its official acts. Any member of the board shall have authority to administer oaths and the board shall have authority to take testimony in all matters relating to the duties of the board. The board shall have power to issue certificates to any person who furnishes satisfactory proof of having received a degree or diploma from a chartered medical college in good standing and who shall pass a satisfactory examination before the board. The board shall issue two forms of certificates or licenses, one for persons holding such a degree or diploma who has been examined and favorably passed upon by the board, and another for persons desiring to practice obstetrics under the provisions of section seventeen hundred and thirty-seven. Certificates and licenses shall be signed by all members of the board granting them.

1730. Fee for Examination. The fee for the examination provided for in the last preceding section shall be fifteen dollars, which shall be paid to the treasurer of the board of examiners.

1731. Non-Graduates. No non-graduate licensed under the provisions of the acts of the territorial legislature shall, in any way advertise as a doctor, physician or surgeon, but shall, if he advertises at all, do so as a licensed non-graduate practicioner of medicine. The secretary of the board shall enter, without fee, upon the register to be kept by him, the names of all persons to whom certificates are issued as physicians and surgeons.

1732. Certificate to Be Recorded. Every person holding a certificate from the said board shall have it recorded in the office of the recorder of the county in which he resides, within three months from the date, and the date of record shall be indorsed thereon. Until each certificate is recorded as herein provided, the holder thereof shall not exercise any of the privileges conferred therein to practice medicine. Any person removing to another county to practice medicine shall record the certificate in like manner in the county to which he removes, and the holder of the certificate shall pay the recorder the usual fees for recording such certificates.

1733. Record. The county recorder shall keep, in a book provided for that purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate, and if the certificate be based upon a degree and examination, the name of the medical college conferring the degree, and the date thereof. The register of the county recorder shall be open to public inspection during business hours.

1734. Examinations, Refusal and Revocation of Certificates. Examinations may be made wholly or partially in writing. The board of medical examiners may refuse to issue the certificates provided for in this title to individuals convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct, the nature of which shall be stated in writing. The board may revoke such certificates for like causes.

1735. "Practicing Medicine" Defined. Any person shall be regarded as practicing medicine within the meaning of this title, who shall treat, operate upon or prescribe for any physical ailment of another for a fee, or who shall hold himself out by means of signs, cards, advertisements or otherwise, as a physician or surgeon; but nothing in this title shall be construed to prohibit services in case of emergency, or the administration of family remedies, nor to prevent medical officers of the United States army from the discharge of their official duties, nor to prohibit visiting physicians in the act of consultation.

1736. Practicing Without License. Any person practicing medicine, surgery, or obstetrics within this state without holding a lawful certificate or license or otherwise contrary to the provisions of this title, shall be deemed guilty of a misdemeanor.

1737. Obstetricians. Persons desiring to practice obstetrics in this state shall be entitled to a license upon satisfactorily passing an examination by the state board of examiners and paying to the treasurer thereof a fee of five dollars; provided, that this section shall not be construed to prevent physicians holding a certificate from practicing obstetrics, or to prohibit such service or the acceptance of a fee in case of emergency, or persons practicing obstetrics in communities where there are no licensed practitioners.

1738. Meetings of Board. The board of medical examiners shall meet on the first Monday in January, April, July and October of each year at 10 o'clock a. m., and such other times as the president of the board shall deem necessary. The place of meeting shall be at the state capital.

1739. Removal of Member of Board. Any member of said board may be removed for misconduct in office by a two-thirds vote of all the members of the board, but no member shall be removed until after he has been given a trial before said board.

1740. "Medical College" Defined. The term "medical college" in this title shall include colleges in good standing in the states where they exist.

1741. Territorial Certificates. Nothing in this title shall be deemed to require persons now holding certificates from the territorial board of examiners to make application for license.

1742. Fees, How Expended. Money received under this title may be applied in defraying the expenses of the examining board.

MEDICAL PRACTICE ACT.

AN ACT

Creating a Board of Medical Registration.

It is hereby enacted by the General Assembly of the State of Vermont:

Section 1. A State Board of Medical Registration is hereby created. Said board shall consist of seven (7) members, three (3) of whom shall be of the regular school of practice; two (2) of the homeopathic school of practice, and two (2) of the eclectic school of practice, and each shall be a graduate of a legally chartered medical college or university, having the power to confer the degree of doctor of medicine and surgery.

Three members of said board shall be appointed for a term of two (2) years, two for four (4) years, and two for six (6) years, and shall be appointed by the Governor in the month of December, 1904, preference in said appointments to be given to the present members of the Board of Censors of the Vermont Medical Society, Vermont Homeopathic Medical Society, and the Vermont Eclectic Medical Society.

The term of office of the members of said board shall begin on the 15th day of December next following their appointment.

Sec. 2. It shall be the duty of the Governor biennially in the month of November, beginning in 1906, to appoint physicians as members of the Board of Medical Registration, to fill the place of those whose term of office is about to expire, said physicians to be of the same school of practice as the physicians whom they are to succeed on the board, with the same proportion of regular, homepathic and eclectic physicians as constituted the original board; they to be graduates of a legally chartered medical college and in active practice of their profession, but no member of said board shall belong to the faculty of any medical college or university.

The appointments as provided in this section shall be made from a list to be nominated by the Vermont Medical Society, Vermont Homeopathic Medical Society, or Vermont Eclectic Medical Society, according as the term of office of the members representing each of these different schools of practice is about to expire, said list to contain at least twice the number to be appointed.

Such nominations shall be made at the annual meeting of the said medical societies during the year of the biennial session of the Legislature. Such nominations shall be certified to by the president and secretary of the said societies and transmitted to the Governor not later than the 1st of November during the biennial session of the General Assembly.

In case, however, that no nominations are made by the said medical societies, then the Governor shall appoint such physicians as he may choose, having regard to maintaining the same proportion of regular, homeopathic and eclectic physicians as constituted the original board.

Vacancies in said board shall be filled by the Governor, and the person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he is to fill and shall be of the same school of practice.

Any member of the board may be removed from office by the Governor for cause.

Sec. 3. The members of said Board of Medical Examiners shall meet at the State House in Montpelier on the second Tuesday in January, and at Burlington on the second Tuesday in July, and at such other times and places as they may determine for the purpose of examining applicants for a license to practice medicine and surgery in the state, and shall be empowered to issue such license to persons found qualified.

The board may make such rules and regulations not repugnant to the laws of the state as may be necessary for the government of the board.

A majority shall constitute a quorum.

Sec. 4. At the first meeting of said board on the second Tuesday of January, 1905, and biennially thereafter, they shall organize by choosing from their numbers a president, secretary and treasurer, who shall hold their respective offices for two years or until their successors are chosen.

Sec. 5. The secretary shall keep a record of the transactions of the board, and a separate record of the name, residence, college and date of graduation, of all persons licensed hereunder.

The treasurer shall receive all fees for licenses issued and keep a just and true account of the same, and shall quarterly make a report to the state treasurer of all examinations given and licenses granted, and pay into the state treasury all moneys received by him for such examinations and licenses.

Sec. 6. Members of the board shall receive $4.00 per day and necessary expenses for time spent in examining applicants and granting licenses and all incidental expenses incurred in the examining of applicants and making and granting licenses, provided the amount received from examinations and licenses under the provisions of this act shall be sufficient to pay the same, but if the auditor of accounts shall at any time find on investigation that said sums are not sufficient to meet the per diem and the expenses as herein provided, tnen he shall allow the expenses in full and such a percentage on the per diem that the expense to the state shall not exceed the receipts under the provisions of this act.

Sec. 7. Any person twenty-one years of age and of good moral character, who is a graduate of a legally chartered medical college or university having power to confer degree in medicine and surgery, and said medical college or university being recognized as determined by the board, shall on payment of a fee of $15 be entitled to examination, and, if found qualified, shall be licensed to practice medicine and surgery in the state of Vermont and receive a license certificate signed by the president and secretary of the board.

Any person refused a license may be reexamined at any regular meeting of the board within one year of the time of such refusal without additional fee.

The board, after hearing, may revoke the certificate of any person licensed by them, who has been convicted before a court of a crime committed in the course of professional business.

Sec. 8. The examination shall be in whole, or in part, in writing and shall be of a practical character, sufficiently strict to test the qualifications of the applicant as a practitioner of medicine.

The examination shall embrace the general subjects of anatomy, physiology, chemistry, pathology, practice of medicine, surgery, obstetrics, gynecology, hygiene and materia medica; but it is hereby provided the examination in materia medica shall be conducted by the members of the board who represent the same school of practice as that of which the applicant is a graduate.

Each applicant shall pass at least an average of 75 per cent. to entitle him to a license.

Sec. 9. A person to whom a license certificate is thus issued in order to make it valid shall within thirty days from date thereof cause the same to be recorded in the office of the secretary of state in a book to be provided by said secretary of state for that purpose, for which the record fee shall be 25 cents.

Sec. 10. Any person who shall practice medicine or surgery under a fictitious or assumed name, or who shall personate another practitioner of a like or different name, or who, not being licensed as aforesaid, shall advertise or hold himself out to the public as a physician or surgeon in this state, or sign a certificate of death for the purpose of burial or removal, shall be punished by a fine of not less than $50 nor more than $200, or by imprisonment in the house of correction not more than three months, or both, and no action of any kind shall be had or maintained by any such person in any court in this state for the recovery of any compensation for such services.

Sec. 11. Any person who shall advertise or hold himself out to the public as a physician or surgeon or who shall assume the title of doctor in the treatment of disease, or who shall follow the occupation of treating disease by any system or method, shall, for the purpose of this act, be deemed a physician or practitioner of medicine or surgery. Nothing, however, in this act shall in any way affect the provisions of No. 110 of the Acts of 1902 or apply to persons licensed by any other board having legal authority to issue licenses in this state.

Sec. 12. It shall be the duty of the board to investigate all complaints of disregard, noncompliance or violation of the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officer.

Sec. 13. This act shall not apply to persons legally licensed to practice medicine and surgery under the provisions of former acts, nor to persons who resided and practiced medicine in the state five years previous to the 28th day of November, 1876, nor to commissioned officers of the United States Army, Navy or Marine-Hospital Service, nor to the practice of midwifery by women in the town or locality in which they reside, nor to a physician or surgeon who is called from another state, or the Dominion of Canada, to treat a particular case, and who does not otherwise practice in this state; provided, however, that such non-resident physician is legally licensed where he resides, and provided further that the state from which he comes or the Dominion of Canada grants the same privilege to legally licensed practitioners of the State of Vermont.

Nothing in this act, however, shall be construed to prevent any non-resident physician or surgeon from coming into the state in consultation with a legally qualified practitioner in this state.

Sec. 14. The board shall issue licenses without examination to reputable physicians and surgeons who shall personally appear and present a certified copy of certificate of registration or license which has been issued to said applicant in another state in the Union where the requirements for registration shall be deemed by said board to be equivalent to those of this state, provided such state shall accord a like privilege to holders of a license granted under the laws of this state.

Each applicant for such license shall pay to the board the sum of $15.

Sec. 15. Sections 4630, 4631, 4632, 4633, 4634, 4635, 4636, 4637, 4638, 4639 and 4640 of the Vermont Statutes and all amendments thereto and all Acts inconsistent with this Act are hereby repealed.

Sec. 16. This Act shall take effect from its passage.

Approved December 9, 1904.

MEDICAL PRACTICE ACT.

AN ACT

To amend and re-enact Section 1747 of the Code of Virginia, regulating the practice of Medicine and Surgery in Virginia, as amended and re-enacted by an act approved March 7, 1900.

Approved April 23, 1903.

1. Be it enacted by the General Assembly of Virginia, That section 1747 of the Code of Virginia, as amended and re-enacted by an act approved March 7, 1900, be amended and re-enacted so as to read as follows:

Section 1747. Examination of applicants for the practice of medicine and surgery; re-examination; fees of board: It shall be the duty of the said board at any of its said meetings to examine all persons making application to them, who shall desire to commence the practice of medicine or surgery in this state; provided, said applicant shall produce before said board a diploma or other satisfactory evidence of his graduation in some medical college or institution teaching the art of healing human diseases chartered by the state or territory in which the same is situated; provided, that any under-graduates taking a graded course in any regularly chartered medical school shall be entitled to examination on such branch or branches as he or she may present a certificate from the said college of having passed a satisfactory examination, and having once passed a satisfactory examination on each of such branches before the State Board of Medical Examiners, no further examination shall be required on such branch or branches; but an applicant failing to pass a satisfactory examination on any of such branches shall not be permitted to be examined on such branch or branches until he or she presents a diploma of graduation as doctor of medicine from some regularly chartered college of medicine. And when an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect; provided, however, that any applicant professing a system of medicine which does not require the use of drugs in the treatment of disease shall be exempt from standing an examination of materia medica.

A fee of $10 shall be paid to said board, through such officers or members as it may designate, by each applicant before such examination is had. And in case any applicant shall fail to pass a satisfactory examination he shall not be permitted to stand any further examination within the next six months thereafter, nor shall he have again to pay the fee prescribed as aforesaid; provided, however, no applicant shall be rejected on his examination on account of his adherence to any particular school of medicine or system of practice, nor on account of his views as to the method of treatment and care of diseases; and provided, further, that when in the opinion of the president of the board any applicant has been prevented by good cause from appearing before the board he shall have authority, in his discretion, to grant a special permit to such applicant to practice medicine or surgery until he shall have an opportunity to appear before the board in session for examination, which said special permit shall be revocable at the discretion of the president; and in no case shall it entitle the holder thereof to practice after the next regular meeting of said board.

The said board shall have, in their discretion, authority to accept in lieu of examination of an applicant a diploma or other satisfactory evidence of the graduation of the applicant in some medical college chartered by the state or territory in which the same is situated, and a certificate from the Examining Board of any state or territory of the United States or the District of Columbia showing that said applicant has passed a satisfactory examination as to his proficiency, and obtained license from said board to practice medicine and surgery in said state, territory or District; provided, that any person who was examined by the State Examining Board prior to January 1, 1900, and whose fee for such examination was duly paid, but who failed to pass said examination, shall have the right and privilege of taking the examination before the State Board, notwithstanding the provisions of this Act.

2. This Act shall take effect from its passage.

AN ACT

To amend and re-enact Section 1750 of the Code of Virginia, regulating the practice of Medicine and Surgery in Virginia, as amended and re-enacted by an Act approved March 7, 1900.

Approved April 24, 1903.

1. Be it enacted by the General Assembly of Virginia, That section 1750 of the Code of Virginia, as amended and re-enacted by an Act approved March 7, 1900, be amended and re-enacted so as to read as follows:

Section 1750. Who prohibited from practicing medicine or surgery without certificate; penalty for practicing illegally; what courts have jurisdiction to inflict: No person who shall have commenced the practice of medicine or surgery in this state since the first day of January, 1885, or who shall hereafter commence the practice of the same, shall practice as a physician or surgeon for compensation without having first obtained a certificate from the State Board of Medical Examiners and caused the same to be recorded as aforesaid, or a special permit from the president of said board.

To open an office for such purpose or to announce to the public in any way a readiness to practice medicine in any county or city of the state, or prescribe for, or to give surgical assistance to, or to heal, cure or relieve, or to attempt to heal, cure or relieve those suffering from injury or deformity, or disease of mind or body, or to advertise, or to announce to the public in any manner a readiness or ability to heal, cure or relieve those who may be suffering from injury or deformity, or disease of mind or body, shall he engage in the practice of medicine within the meaning of this section; provided, that nothing in this section shall be construed to apply to or to limit in any manner the manufacture or sale of proprietary medicines, or to apply to, affect or interfere in any way with the operation of any hospital now established in this state, or any person while engaged in conducting such hospital now established, if there be a licensed physician resident and practicing therein, or to any person who commenced the practice of osteopathy in this state prior to January 1, 1903. It shall also be regarded as practicing medicine within the meaning of this section if any one shall use in connection with his or her name the words or letters "Dr.," "Doctor," "Professor," "M. D.," or "Healer," or any other title, word, letter or designation intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, but this section shall not be construed to apply to non-itinerant opticians who are at this time engaged in the practice of optometry in this state, nor to professional or other nurses. Any person who shall practice medicine or surgery in this state in violation of the provisions of this section shall be fined not less than $50 nor more than $500 for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant in any of the courts of the state any compensation for services which may be claimed to have been rendered by him as such physician or surgeon.

The county and corporation courts shall have exclusive original jurisdiction to try offenses for violations of the provisions of this section committed within their respective counties and corporations.

2. This Act shall take effect from its passage.

MEDICAL PRACTICE ACT.

AN ACT

Relating to the Practice of Medicine and Surgery.

An Act to amend section 3 of an act entitled "An Act to regulate the practice of medicine and surgery in the State of Washington, and to license physicians and surgeons; to punish all persons violating the provisions of this Act, and to repeal all laws in conflict therewith, and declaring an emergency," received by the Governor March 28, 1890, and having become a law by reason of not having been filed, with the Governor's objections thereto, in the office of the secretary of state within the time prescribed by the Constitution of the state as amended by an act passed by the House of Representatives February 8, 1901, and by the Senate February 14, 1901, thereafter vetoed by the Governor, and passed over his veto by the House of Representatives and by the Senate on February 28, 1901, the same being known as Section 6284 of Pierce's Code.

Be it enacted by the Legislature of the State of Washington:

Section 1. That section 3 of an act entitled "An Act to regulate the practice of medicine and surgery in the State of Washington and to license physicians and surgeons; to punish all persons violating the provisions of this Act, and to repeal all laws in conflict therewith, and declaring an emergency," received by the Governor March 28, 1890, and having become a law by reason of not having been filed, with the Governor's objections thereto, in the office of the secretary of state within the time prescribed by the Constitution of the state, as amended by an act passed by the House of Representatives February 8, 1901, and by the Senate February 14, 1901, thereafter vetoed by the Governor, and passed over his veto by the House of Representatives and by the Senate on February 28, 1901, the same being known as Section 6284 of Pierce's Code, be amended to read as follows:

Sec. 3. Hereafter every person desiring to commence the practice of medicine and surgery, or either of them, in any of its or their branches in this state shall make a written application to said board for a license so to do. And each applicant for such license shall be not less than twenty-one years of age, shall furnish a certificate of good moral character, and shall be a graduate of some duly authorized medical college now having at least four years' graded course. Such applicant at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches: Anatomy, physiology, chemistry, histology, materia medica, therapeutics, preventive medicines, practice of medicine, surgery, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence, and such other branches as the board shall deem advisable. Said board shall cause said examination to be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same be satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the State of Washington, which said license can only be granted by the consent of not less than five members of said board, except as hereinafter provided, and which said license shall be signed by the president and secretary of said board and attested by the seal thereof. The fee for such examination shall be $25 and shall be paid by the applicant to the treasurer of said board toward defraying the expenses thereof and toward the enforcement under the supervision and control of said board of the provision of this Act; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license as hereinafter provided.

MEDICAL PRACTICE ACT.

Medical Practice Act of West Virginia.

Who May Practice Medicine in This State—Examination Therefor.

9. The following persons, and no others, shall hereafter be permitted to practice medicine in this state, viz: First—All such persons as shall be legally entitled to practice medicine in this state at the time of the passage of this Act. Second—All such persons as shall pass an examination before the State Board of Health and shall receive certificates from the said board to that effect as hereinafter provided. The State Board of Health shall at such times as a majority of them may deem proper hold examinations for the licensing of practitioners of medicine. Such examinations shall not be less in number that three during each year, and shall be held at such points in the state as shall be most convenient to those presenting themselves for examination or to the State Board of Health. At such examinations written and oral questions shall be submitted to the applicants for license, covering all the essential branches of the sciences of medicine and surgery, and the examination shall be a thorough and decisive test of the knowledge and ability of the applicants. The president and secretary of the State Board of Health shall issue certificates to all who successfully pass the said examination, and such certificates, after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine and surgery in all their branches in this state. The State Board of Health shall give timely notice of the time and place of holding each such examination by publishing such notice in at least three newspapers of general circulation in this state, and all persons wishing to present themselves for examination should notify the secretary of the State Board of Health to that effect. No applicant for license to practice medicine in this state shall be rejected because of his or her adherence to any particular school or theory of medicine. The State Board of Health shall call to their assistance, in the examination of any applicant who professes the homeopathic or eclectic school of medicine, a homeopathic or eclectic physician duly licensed to practice medicine in this state, and such homeopathic or eclectic physician so called to the assistance of the State Board of Health shall be allowed the per diem and actual expenses incurred hereinafter allowed to regular members of the State Board of Health; provided, however, that the provisions of this and the preceding section shall not apply to physicians living in other states and duly qualified to practice medicine therein, who shall be called into consultation into this state by a physician legally entitled to practice medicine in this state under these sections.

Certificates to Be Recorded.

10. Every person holding any such certificate, as is hereinbefore provided for, shall have the same recorded in the office of the secretary of the State Board of Health in a book to be kept by him for that purpose, and the secretary shall indorse on said certificate the fact of such recordation, and deliver the same to the person named therein or to his order. The State Board of Health may refuse certificates to individuals guilty of malpractice or dishonorable conduct, and they may revoke certificates for like causes. Such revocation being after due notice and trial by the Board of Health, with right of appeal to the Circuit Court of the county in which such individual resides; but no such refusal or revocation shall be had or made by reason of the individual belonging to or practicing in any particular school or system of medicine.

Fees for Examination, Etc.

11. Every person on presenting himself for examination, as hereinbefore provided, shall pay to the State Board of Health, or to the members thereof by whom he is examined, a fee of $10, which shall not be returned if a certificate be refused him. But he may again at any time within one year after such refusal present himself for examination as aforesaid, without the payment of an additional fee, and if a certificate be again refused him he may as often as he sees fit thereafter, on the payment of a fee of $10, be examined as herein provided until he obtains such certificate.

Examinations—How Made.

12. Examinations may be in whole or in part in writing, and shall be of an elementary and practical character, and shall embrace the general subjects of anatomy, physiology, chemistry, materia medica, pathology, pathological anatomy, surgery and obstetrics, but sufficiently strict to test the qualifications of the candidate as a practitioner of medicine, surgery and obstetrics. The provisions of this chapter shall not apply to females practicing midwifery.

To Whom This Chapter Applies.

13. Any person shall be regarded as practicing medicine within the meaning of this chapter who shall profess publicly to be a physician and to prescribe for the sick, or who shall append to his name the letters "M. D." This Act shall also apply to apothecaries and pharmacists who prescribe for the sick. This Act shall not apply to commissioned officers of the United States Army and Navy and Marine Hospital Service.

Itinerant Physicians; Tax On, Etc.

14. Any itinerant physician desiring to practice medicine in this state, or any itinerant vendor of any drug, nostrum, ointment or appliance of any kind intended for the treatment of disease or injuries; or who shall by writing or printing, or in any other method, publicly profess to cure or treat diseases, injuries or deformities, by any drug, nostrum, manipulation or other expedient, shall before doing so pay to the sheriff of every county in which he desires to practice a special tax of $50 for each month or fraction of a month he shall so practice in such county and take his receipt in duplicate therefor. He shall present said receipts to the clerk of the County Court of such county, who shall file and preserve one of them in his office, and shall indorse on the other the words, "A duplicate of this receipt has been filed in my office," and sign the same, and if such physician or vendor of patent medicines shall practice or attempt to practice in any such county without having paid such tax and filed such receipt with the clerk of the County Court and obtained his indorsement on the other as aforesaid, or if he shall practice or attempt to practice for a longer time than that for which he has paid such tax as aforesaid, he shall be guilty of a misdemeanor and shall be fined not less than $100 nor more than $500. Any person who shall travel from place to place, and by writing, printing or otherwise, publicly profess to cure or treat diseases, injuries or deformities, shall be held and deemed to be an itinerant physician and subject to the taxes, fines and penalties prescribed in this section.

Penalty for Practicing, Etc., Unlawfully.

15. If any person shall practice, or attempt to practice medicine, surgery or obstetrics in this state without having complied with the provisions of section 9 of this chapter, except as therein provided, he shall be guilty of a misdemeanor and fined for such every offense not less than $50 nor more than $500, or imprisoned in the county jail not less than one month nor more than twelve months, or be punished by both such fine and imprisonment, at the discretion of the court. And if any person file or attempt to file, as his own, the diploma or certificate of another, or shall file or attempt to file a false or forged affidavit of his identity, or shall willfully swear falsely to any question which may be propounded to him on examination, as herein provided for, or to any affidavit herein required to be made or filed by him, he shall, on conviction thereof, be confined in the penitentiary not less than one nor more than three years, or imprisoned in the county jail not less than six nor more than twelve months, and fined not less than $100 nor more than $500, at the discretion of the court.

MEDICAL PRACTICE ACT.

AN ACT

Relating to the State Board of Medical Examiners, and to the registration and licensing of persons engaged in the practice of Medicine, Surgery or Osteopathy in the State of Wisconsin.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. The Governor shall appoint a board of medical examiners to be known as the Wisconsin State Board of Medical Examiners, consisting of eight members. Such appointments shall be made from separate lists presented to him every second year, one list of ten names presented by the Wisconsin State Medical Society, one list of ten names presented by the Homeopathic Medical Society of the State of Wisconsin, one list of ten names presented by the Wisconsin State Eclectic Medical Society, and one list of five names presented by the Wisconsin State Osteopathic Association. In case any of said societies or associations fail to present such list of names the Governor may fill vacancies in the board by appointment from the last list filed by such association or society previous to the occurrence of such vacancy. The appointment of each member of said board shall be for the term of four years and until his successor is appointed and qualified; the proportion of the different schools of medicine as herein provided shall be preserved. No instructor, stockholder, member of, or person financially interested in any school, college or university having a medical department, or of any school of osteopathy, shall be appointed a member of said board. Three members of said board shall be allopathic, two shall be homeopathic, two eclectic and one osteopathic, and all shall be licentiates of said board, and no member shall serve for more than two consecutive terms, provided nothing contained in this Act shall be construed as terminating or in any manner interfering with the term of any member of the present State Board of Medical Examiners, but each of said members shall serve out his present term as a member of said board.

Sec. 2. Said board shall annually, at its July meeting, elect from its members a president, secretary and treasurer, and shall have a common seal. The president and secretary may administer oaths for the accomplishment of the objects of the board. Said board shall hold regular meetings on the second Tuesday in each January at Milwaukee and the second Tuesday of each July at Madison, and such other meetings at such other times and places as it may from time to time determine. The board shall keep a record of all its proceedings and also a register of all applicants for license, together with a record showing their ages, time spent in the study of medicine and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine, surgery or osteopathy. Said register shall also show whether such applicant was rejected or licensed, and said books and register shall be prima facie evidence of all the matters required to be kept therein.

Sec. 3. All persons commencing the practice of medicine, surgery or osteopathy in any of their branches in this state shall apply to said board at the time and place designated by said board, or at any regular meeting thereof for license so to practice, and shall present to said board a diploma from a reputable college of medicine and surgery or osteopathy. A college to be deemed reputable by this board shall require at least four courses of not less than seven months each before graduation, no two of such courses to be taken within any one twelve months, and that shall require for admission thereto a preliminary education equivalent to that necessary for entrance to the junior class of an accredited high school in this state, including a one year's course in Latin, and that shall after the year 1906 require for admission to such school a preliminary education equivalent to graduation from an accredited high school of this state, and shall submit to an examination in the various branches in medicine and surgery usually taught in reputable medical colleges, or if the applicant be an osteopath he or she shall present a diploma from a regularly conducted college of osteopathy maintaining a standard in all respects equal to that hereby imposed on medical colleges as to preliminary education, said college after 1904 to give three courses of eight months each, no two courses to be given in any one twelve months, and after the year 1909 such colleges shall give four courses of seven months each, as hereinbefore provided for medical colleges, and shall pass the regular examination of such board in anatomy, histology, physiology, obstetrics, gynecology, pathology, urinalysis, chemistry, toxicology, dietetics, physical and general diagnosis, hygiene, and theory and practice of osteopathy. The examination in materia medica, therepeutics and practice shall be conducted by members of the board representing the school of practice which the applicant claims or intends to follow. After examination, as hereinbefore provided, the board shall, if it find the applicant qualified, grant a license to said applicant to practice medicine and surgery in all their branches in this state, or a license to practice osteopathy therein, which license can only be granted by the consent of not less than six members of said board, and which, after the payment of fees as hereinafter provided, shall be signed by the president and secretary thereof, and attested by the seal of the board. Osteopaths, when so licensed, shall have the same rights and privileges and be subject to the same laws and regulations as practitioners of medicine and surgery, but shall not have the right to give or prescribe drugs or to perform surgical operations. The fee for examination shall be fixed by the board, but shall not exceed $15.00 in each case, with $5.00 additional for the license if issued. Such fee or fees shall be paid by the applicant to the treasurer of the board and may be applied toward defraying any proper and reasonable expenses of the board; provided, however, that any student who is exempted as a matriculant of any medical college of this state under chapter 306 of the laws of 1901, whose name is now on file with the Wisconsin State Board of Medical Examiners, shall on the presentation of a diploma from any Wisconsin college, and on the payment of the fees specified in this Act, and having satisfied said board that he or she is a person of good moral character, be licensed to practice without further examination by such board, provided that said college maintains its standard herein required. Every person practicing medicine or surgery in the State of Wisconsin who, at the time of the passage and publication of this Act, has not received a license from said board, and who shall after such passage and publication present a diploma from a reputable medical college and give satisfactory evidence of having been a reputable practitioner of medicine and surgery in the State of Wisconsin continuously since the first day of July, 1897, shall be granted a license without examination on the payment of a fee not exceeding $5.00, as determined by said board. Any person applying for such license shall, if he or she be possessed of a certificate of registration issued under and according to the provisions of chapter 87 of the laws of 1899, present such certificate to said board with the diploma and application of such license, and surrender said certificate on the issuance of said license, the registration fee paid for same shall be deducted from the last named fee. Any practitioner of medicine or osteopathy holding a certificate from any other state board imposing requirements equal to those established by the board provided for therein may, on presentation of the same with a diploma from a reputable medical or osteopathic college, be admitted to practice within this state without an examination, at the discretion of the board, on the payment of the fee fixed by the board, not exceeding the sum of $25.00

Sec. 4. All money received by the board shall be kept by the secretary thereof, who shall also act as treasurer, out of the funds coming into their possession from the fees mentioned in the preceding section; the board may pay all legitimate and necessary expenses incurred by them, their agents or employes in the discharge of the duties of the board, and the members may receive for their services a sum to be determined by the board, not exceeding $5.00 for each day actually spent in attending to the business of the board; the secretary shall receive a salary to be fixed by said board, not to exceed $1,000 per annum. Such salary, compensation and expenses shall be paid from the fees received by the board, and no part thereof shall be paid out of the state treasury. The secretary shall furnish to the board such bond as they may from time to time direct. It shall be the duty of said board to make a report of their proceedings to the Governor at the end of each biennial period, together with an account of all moneys received and disbursed by them, and all moneys in excess of actual expenses shall be paid into the state treasury, secretary of said board securing a receipt therefor, said moneys there to remain as an emergency fund which may be withdrawn in whole or in part by said board in case of necessity with the consent of the Governor. Said biennial period shall begin December 31, 1904. The provisions of this Act shall not apply to commissioned surgeons of the United States Army, Public Health and Marine-Hospital Service, or to physicians or surgeons of other states or countries in actual consultation with resident physicians of this state.

And provided, further, that any practitioner of medicine or surgery, holding a license from the State Board of Medical Examiners of any adjoining state, dated since January 1, 1901, shall on presentation of the same within one year from the taking effect of this Act, accompanied by a certificate from the secretary of the State Board of Medical Examiners of the state issuing the license that such applicant is a reputable practitioner of medicine and surgery, be licensed to practice medicine and surgery in this state, without an examination, at the discretion of the board, on payment of the fee.

Sec. 5. Every person hereafter practicing medicine, surgery or osteopathy in this state shall be required to have the license herein provided for, or heretofore issued by the Wisconsin State Board of Medical Examiners, or a certificate of registration issued pursuant to the provisions of chapter 87 of the laws of 1899, and any person having or hereafter receiving a license according to the provisions of this Act, or having such certificate of registration, shall record the same with the county clerk of any county in which said person shall practice and pay to said clerk or clerks a fee of 50 cents each for recording the same, and said clerk shall enter a memorandum thereof, giving the date of said license or certificate, the name of the person to whom it was issued, school of practice chosen, and the date of such recording in a book to be provided and kept for that purpose. Any such person who shall fail to record his or her license or registration certificate, as herein provided, shall not exercise any of the rights or privileges conferred by such license or certificates. And any person beginning such practice without having obtained such license, or having obtained such license contrary to law, or any person who, not having such license or certificate of registration herein referred to, shall advertise or hold himself or herself out to the public as a physician, surgeon, osteopathist or specialist in any of the branches of medicine, surgery or osteopathy, or who shall use the title of "Doctor," or shall append to his or her name the letters "M. D." or "M. B.," meaning doctor or bachelor of medicine, or "D. O.,"

meaning doctor or diplomat of osteopathy, or any other letters of designation meaning any of the titles enumerated in this section, shall be punished by a fine of not less than $50.00 nor more than $100 for each offense, or by imprisonment in the county jail for a term not exceeding three months, or by both such fine and imprisonment. Any person practicing medicine, surgery or osteopathy, or without authority assuming the title of "doctor of medicine," "doctor or diplomat of osteopathy," "bachelor of medicine," or "physician," or "surgeon," or "osteopathist," or "osteopath," shall not be exempted from, but shall be liable to all the penalties and liabilities for malpractice which physicians, surgeons or osteopathists are liable to, and ignorance on the part of any such person shall not lessen such liability for failing to perform, or for negligently or unskillfully performing or attempting to perform any duty assumed, and which is ordinarily performed by physicians, surgeons or osteopathists. If any person licensed or registered by said board shall be convicted of any crime committed in the course of his professional conduct the court in which such conviction is had may, in addition to any other punishment imposed pursuant to law, revoke such license or certificate. Said board shall have the power to adopt such rules for its government and may require the filling out of such blanks by applicants as it may deem necessary in order to ascertain the true character and qualifications of an applicant for license, and the board may, in its discretion, refuse to grant license to any person who does not furnish satisfactory proof of good moral and professional character.

Sec. 6. Every person shall be regarded as practicing medicine or osteopathy within the meaning of this Act who shall append to his or her name the letters "M. D.," "M. B.," or "D. O.," Doctor, Dr., or any other letters or designation with intent to represent that he or she is a physician, surgeon or osteopathist, or who shall for a fee prescribe drugs or other medical or surgical treatment or osteopathic manipulation for the cure or relief of any wound, fracture, bodily injury, infirmity or disease; provided, however, that nothing in this Act contained shall be construed to apply to any dentist or resident refracting optician engaged in the practice of his or her profession.

Sec. 7. It shall be the duty of the Board of Medical Examiners to investigate all complaints in regard to the violation or disregard of, or noncompliance with the provisions of this Act, and to bring all such cases to the notice of the proper prosecuting officers, and it shall be the duty of the district attorney of the proper county to prosecute all violations of this Act.

Sec. 8. No person practicing medicine, surgery or osteopathy shall have the right to collect, by law, any fees or compensation for the performance of any medical or surgical services, or fees for any service as an osteopathist, or to testify in a professional capacity as a physician or surgeon or insanity expert in any case, unless he or she holds a license from the Wisconsin Board of Medical Examiners or the certificate of registration hereinbefore referred to, with a diploma from a reputable medical college or society or a certificate of membership in a medical society, and has been duly recorded as a practitioner in the State of Wisconsin; provided, that nothing in this Act contained shall be construed as restricting any court in a criminal action from receiving the testimony of any person as a witness.

Sec. 9. All acts or parts of acts in any wise conflicting with the provision of this Act are hereby repealed.

Sec. 10. This Act shall take effect and be in force from and after its passage and publication.

Approved May 22, 1903.

A BILL

Empowering and requiring the Wisconsin State Board of Medical Examiners to refuse to grant licenses or certificates of registration to persons guilty of immoral, dishonorable or unprofessional conduct, and empowering the courts to revoke and annul any license or certificate issued to any person guilty of immoral, dishonorable or unprofessional conduct, or fraud or perjury in connection with obtaining such license or certificate, or through error.

The People of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

Section 1. It is hereby made the duty of the Wisconsin State Board of Medical Examiners to refuse to license or grant a certificate of registration to any person guilty of immoral, dishonorable or unprofessional conduct. The circuit courts of this state are hereby vested with jurisdiction and power to revoke and annul any license or certificate of registration which has been heretofore or which may be hereafter issued to any person to practice medicine or surgery, or osteopathy in this state, who is guilty of immoral dishonorable or unprofessional conduct, or who has procured such license or certificate of registration by fraud or perjury, or where the same was obtained through error. Upon a verified complaint in writing being made by any person, to the district attorney of any county, charging any person holding such license or certificate with having, in said county, been guilty of any immoral, dishonorable or unprofessional conduct, as defined in this act, or with having procured such certificate or license by fraud or perjury, or through error, said district attorney shall commence and prosecute an action in the circuit court of said county, against the person so complained against, to revoke and annul such license or certificate of such person. Such action shall be commenced and prosecuted as a civil action in the name of the State of Wisconsin as plaintiff, and against such person complained against as defendant, and the rules of pleading, evidence and practice in civil actions in the Circuit Court shall be applicable thereto, and either party may appeal from the circuit court to the supreme court as in other civl actions. Either party in said action may demand a jury trial, and the defendant shall have the right to be represented by counsel, and the court may permit counsel to assist the district attorney in the prosecution of such action. The costs of such prosecution shall be paid by the county in which said action is brought. If upon the trial of such action, the court finds, or the jury returns a verdict in favor of the plaintiff, judgment shall be rendered revoking and annulling such license and certificate of the defendant, and the clerk of the circuit court shall forthwith cause a certified copy of such judgment to be sent to the Secretary of the Wisconsin State Board of Medical Examiners to be filed for record in the office of said Secretary. Any person whose license or certificate has been revoked under the provisions of this act, who shall thereafter practice, or offer or attempt to practice medicine, surgery or osteopathy in this state, shall be punished as provided in Chapter 426 of the Laws of 1903. No person shall be excused or privileged from testifying fully under oath or producing evidence documentary or otherwise, in any action, proceeding or examination brought under the provisions of this act; but no person shall be prosecuted or subjected to any penalty for or on account of any transaction, matter or thing concerning which such person may so testify or produce evidence, documentary or otherwise, except for perjury committed in giving such testimony. If the court before which the trial is had shall determine that the complaint made to the district attorney was wilful and malicious and without probable cause, it shall enter judgment against the person making such complaint for the costs of such action, and payment of the same may be enforced by execution against the body of such complainant as in tort actions.

Sec. 2. The words "immoral, dishonorable or unprofessional conduct" as used in section one of this act are hereby declared to mean: First, procuring, aiding or abetting a criminal abortion; second, advertising, either in his own name or in the name of another person, firm, association or corporation, in any newspaper, pamphlet or other written or printed paper or document, in any obscene manner or in a manner derogatory to good morals the curing of venereal diseases, the restoration of "lost manhood," or the advertising of any medicine or any means whereby the monthly periods of women can be regulated or the menses re-established, if suppressed, or being employed by or in the service of any person, firm, association or corporation so advertising; third, the obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured; fourth, wilfully betraying a professional secret; fifth, indulging in the drug habit; sixth, conviction of any offense involving moral turpitude.

Sec. 3. This act shall take effect and be in force from and after its passage and publication.

MEDICAL PRACTICE ACT.

AN ACT

To amend and re-enact Chapter 5, Division 1, Title XVI, Revised Statutes of 1899, relating to the State Board of Medical Examiners.

Be it enacted by the Legislature of the State of Wyoming:

Section 1. Appointment of Board: The Governor, by and with the consent of the Senate, shall appoint three regularly licensed physicians of the State of Wyoming, who shall constitute the State Board of Medical Examiners, and who shall hold office for a term of four years. Any vacancy which may occur in said board from any cause shall be filled by appointment by the Governor, and the physician so appointed shall hold his office until the expiration of the term.

Sec. 2. Organization: The members of the said Board of Medical Examiners shall meet and organize within thirty days after their appointment by taking an oath faithfully to discharge the duties of their office, which oath shall be filed with the secretary of state, and by the election of a president, a vice-president and a secretary. They shall provide such blanks and certificates as are necessary to comply with the provisions of this Act and an appropriate seal, which shall be attached to all official papers issued by the said board, and they shall from time to time adopt such rules and regulations as shall be deemed necessary in the performance of their duties consistent with the requirements of this Act.

Sec. 3. Duties: It shall be the duty of the said board to pass on the qualifications and determine the fitness of all persons who may desire to practice medicine, surgery, obstetrics, or who may publicly profess in any manner to assume the responsibility of the care or treatment of disease, injury or deformity of human beings in the state.

Sec. 4. Requirements: Every person wishing to practice medicine in any of its departments in this state shall possess the qualifications required by this Act. He shall be a graduate from a regularly chartered college of the system which he claims to practice. Said college must be recognized by the State Board of Health or the State Board of Medical Examiners of the state in which it is located. He shall give evidence of the fact that he is a person of good moral character and that he shall not be the victim of such habits as shall cause him to endanger the lives of those entrusted to his care. He shall present his diploma to the State Board of Medical Examiners for verification as to its genuineness. Said certificate shall consist in the affidavit of the holder of the diploma that he is the lawful possessor of the same and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and seal of such officer. He shall appear before the State Board of Medical Examiners in person at a time and place appointed, and shall pass an examination sufficiently strict to test his qualifications as a practitioner. Said examination may be in whole or in part in writing. It shall be of an elementary and practical character, and shall be on the following subjects: Anatomy, physiology, chemistry, and toxicology, pathology, physical diagnosis, gynecology, the principles of surgery, obstetrics, hygiene and bacteriology. He shall further be required to pass an examination in such branches as are necessary to complete the system of which he is a practitioner. If the applicant is a practitioner of any school or system not represented in the membership of the board the board shall have authority to call a regularly licensed practitioner of that system to assist in the examination. The practitioner thus called shall receive a compensation of $5.00 for each person examined. An average grade of 75 per cent. in all branches of the examination shall be required; provided, that the applicant shall not pass lower than 60 per cent. in any one branch. Said examination shall be conducted by and under the supervision of the secretary of the board, with such assistance from the other members as shall be agreed on by them. Said examination shall be held at stated periods to suit the convenience of the board and applicants; provided, that not more than four examinations shall be held in any one year.

The president and secretary of the State Board of Medical Examiners shall issue certificates to all persons who successfully pass said examinations, and such certificates, after being duly recorded as hereinafter provided, shall be deemed license to practice medicine in all branches in which the applicant has taken examination in this state. No application for license to practice medicine in this state shall be rejected because of adherence to a particular school of practice. All persons who are licensed practitioners in this state prior to the passage of this Act shall be exempt from its requirements.

Sec. 5. Applications, Fees: The State Board of Medical Examiners shall receive, through its secretary, applications for certificates and examinations. A fee of $25 shall accompany each application. Should the applicant fail to pass the examination he may present himself at any time within a period of one year for another examination without the payment of an additional fee.

Sec. 6. Admission Without Examination: Said board may, in its discretion, accept and register, on payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia, or of any state or territory of the United States; provided, however, that the legal requirements of such Medical Examining Boards shall have been, at the time of issuing such certificate, in no degree or particular less than those of Wyoming at the time when such certificate shall be presented for registration to the board created by this Act; and, provided, further, that the provisions in this section contained shall be held to apply only to such of said Medical Examining Boards as accept and register the certificates granted by this board without examination by them of the ones holding such certificates.

Sec. 7. Who Are Practicing Physicians: Any person shall be regarded as practicing medicine, within the meaning of this Act, who shall in any manner hold himself out to the public as being engaged within this state in the diagnosis and treatment of diseases or injuries or deformities of human beings; or who shall suggest, recommend or prescribe any form of treatment for the intended palliation, relief or cure of any physical or mental ailment of any person with the intention of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever; or who shall maintain an office for the reception, examination and treatment of any person suffering from disease or injury of body or mind; or who shall attach the title of M. D., Surgeon, Doctor or any other word or abbreviation to his name indicative that such person is engaged in the practice of medicine as hereinbefore defined.

Sec. 8. Examination Papers: The examination papers of applicants, when placed in the hands of the secretary, shall become the property of the state and shall remain in the possession of the State Board of Medical Examiners, and the questions and answers of any examinations, together with the gradings thereon, shall be subject to inspection at any time at the secretary's office.

Sec. 9. Certificate to Be Recorded: Every person holding a certificate as having successfully passed an examination before said Board of Medical Examiners shall have the same recorded at the office of the county clerk of the county in which he resides, and the date and place of record shall be endorsed thereon. Any person moving to another county to practice shall procure a certificate to that effect from the county clerk, and the holder of the certificate shall pay to the county clerk the usual fees for making the record.

Sec. 10. Record of County Clerk: The county clerk shall keep in a book provided for that purpose a complete list of all the certificates recorded by him, with the date of issue.

Sec. 11. Medical Funds: The fees received by the said Board of Medical Examiners from examination shall be kept in a fund to be known as the "Medical Fund," and shall be subject at all times to the warrant of the state auditor drawn on written requisition of the president and attested by the secretary of the State Board of Medical Examiners, with seal attached, for the payment of any expenses made by said board.

Sec. 12. Refusal of Certificate: Said Board of Medical Examiners may refuse certificates to individuals guilty of malpractice or dishonorable conduct, or who shall have been convicted of penal offenses before any court in this state or elsewhere; or may revoke certificates for like causes, such revocation being after due notice and trial by the Board of Medical Examiners, subject to the right of an appeal to the District Court of the county in which said individual resides; but no such revocation shall be made by reason of the individual's belonging to or practicing any particular school or system of medicine.

Sec. 13. Application of this Act: Nothing in this Act shall be construed to prohibit gratuitous service in case of emergency, and this Act shall not apply to commissioned surgeons of the United States Army or Navy, or medical examiners of relief departments of railroad companies, while so employed, or any lawfully qualified physicians residing in other states or countries meeting registered physicians of this state in consultation, or any physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends into the limits of this state. This Act shall apply to apothecaries and pharmacists who prescribe for the sick.

Sec. 14. Penalty: Any person practicing medicine within the meaning of this chapter in this state without complying with the provisions of this Act shall be deemed guilty of misdemeanor and punished by a fine of not less than $50 nor more than $300, or by imprisonment in the county jail for not more than one year, or both; and each person filing, or attempting to file, as his own the diploma of another or a forged affidavit of identification shall be guilty of felony, and on conviction thereof shall be imprisoned in the penitentiary for a term not exceeding three years.

Sec. 15. Examination: The State Board of Medical Examiners shall examine all persons on the theory and practice of obstetrics who profess to practice obstetrics and midwifery, who do not have authority to practice medicine or surgery, and they may issue to such candidates and person or persons who shall pass a satisfactory examination certificates which shall authorize and empower them to practice obstetrics or midwifery. No person shall practice obstetrics or midwifery unless either a practicing physician or authorized to practice under the provisions of this Act, or holding such certificates as are prescribed by this section; provided, that nothing in this section shall be construed to prohibit persons from rendering services in cases of obstetrics or midwifery in cases of emergency.

Sec. 16. Sale of Medicine by Itinerant: Any itinerant who has not qualified as hereinbefore provided, who shall sell or offer for sale any drug, nostrum or appliance of any kind intended for the treatment of any disease or injury or deformity, or for correction of impairment of vision or hearing, or shall by writing, printing or other method, except by ordinary professional card or sign, publicly profess to cure or treat disease, injury or deformity, by any drugs, nostrum, or in any manner whatever, shall be deemed guilty of a misdemeanor, and on conviction thereof shall

be fined in any sum not less than $50 nor more than $100, and costs of prosecution, for each offense, and shall be committed until such fine and costs are paid; provided, that any one who shall maintain an office or residence in the state for a period of not more than three months in any one year shall be deemed an itinerant.

Sec. 17. Salary of Secretary: The secretary of said board shall be paid a salary which shall be compensation for the actual work done in the performance of the duties of his office, the amount thereof to be fixed by the board, not to exceed the sum of $25 per month, the same to be paid out of the medical fund by warrants drawn by the state auditor on there being filed with the state auditor a certificate to be signed by the president and secretary of the board, with the seal of the board attached, showing that the secretary has acted in that capacity for the time for which his bill is presented. The other members of the board shall receive the sum of $10 per day while actually employed in attending meetings of the board or in carrying out the provisions of this Act. Members of the board shall also receive their actual traveling and necessary expenses while engaged in the performance of their duties, to be paid out of the medical fund on warrants to be issued by the state auditor, and all bills therefor shall be accompanied by a certificate signed by the president and secretary of the board, with the seal of the board attached, attesting the correction of the bill.

Sec. 18. Acts Inconsistent: All acts and parts of acts inconsistent with the provisions of this Act are hereby repealed.

Sec. 19. This Act shall take effect and be in force from and after its passage.

LAWS AND REGULATIONS GOVERNING THE PRACTICE OF MEDICINE AND SURGERY IN THE TERRITORY OF HAWAII.

License Is Required.

Section 827 P. L. No person shall practice medicine or surgery as a profession in the Territory of Hawaii, either gratuitously or for pay or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, without having first obtained from the Treasurer under seal of his department a license in form and manner substantially as hereinafter set forth. Such license shall only be granted upon the written recommendations of the Board of Health.

Issued on the Recommendation of Board of Health.

All licenses to practice medicine or surgery heretofore granted by the Treasurer upon the recommendation of the Board of Health, and in force at the time of the passage of this Act, shall remain in force, subject to the provisions of this Act.

Defining the Practice of Medicine.

Sec. 828 P. L. For the purpose of this Act the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject. Provided, however, that nothing herein contained shall be held to forbid any person from the practice of any method, or the application of any remedial agent or measure under the direction or with the approval of a licensed physician.

Medical Examiners.

Sec. 829 P. L. No person shall be recommended by the Board of Health for a license to practice medicine or surgery except upon the written report of a Board of Medical Examiners, to be appointed and constituted as hereinafter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

To Be Appointed by Governor.

Sec. 830 P. L. For the purpose of carrying out the provisions of this Act, the Governor is hereby authorized and directed to appoint a Board of Medical Examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the Board of Health.

Such Board of Medical Examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of this Territory. The first appointment shall be for one, two and three years respectively, and all subsequent appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal for cause by the Governor. The members of the Board of Medical Examiners shall serve without pay.

Applicant to Pay a Fee of $10.

Sec. 831 P. L. No applicant for license to practice medicine or surgery shall be examined, until he shall have paid to the Treasurer a fee of Ten Dollars.

Penalty for Violating the Statute.

Sec. 832 P. L. Any person who shall practice medicine or surgery in the Hawaiian Islands, or who shall offer or attempt to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, contrary to the provisions of Section 827, shall be guilty of a misdemeanor, and shall be liable on conviction to a fine of not more than Two Hundred and Fifty Dollars, in the discretion of the Court.

License Revocable.

Sec. 833 P. L. Licenses to practice medicine and surgery, whether granted under the provisions of this Act or of any Act heretofore existing, may be revoked by the Treasurer at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the Board of Health and by that body reported in writing to said Treasurer. In case any license is revoked for any of the causes named in this Section, the holder thereof shall immediately be notified of such revocation in writing by the Treasurer.

Sec. 834 P. L. In case of an alleged misconduct, carelessness or incapacity on the part of any holder of a license to practice medicine or surgery, the person so charged shall be notified in writing of the charge or charges that have been made, and of the time and place when and where evidence in support of the same will be heard, and shall have the opportunity to present evidence and be heard in his own defense.

Sec. 835 P. L. The form of license to practice medicine and surgery shall be substantially as follows:

Territory of Hawaii.
Treasurer's Office.

License to Practice Medicine and Surgery.

....., a native of....., aged..... years, having been duly examined by the Board of Medical Examiners, and having been recommended by the Board of Health as possessed of the necessary qualifications, is hereby licensed to practice medicine and surgery in the Territory of Hawaii.

This license is granted and accepted on the express condition that it may be revoked at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity, having been proven to the satisfaction of the Board of Health, and by that body reported to the Treasurer.

Given under my hand and the seal of the Treasurer's Office, this .....day of....., A. D.....

(Signed).....
Treasurer.

(Signed).....
Chief Clerk.

Sec. 836 P. L. Any person who shall attempt the cure of another by any practice of sorcery, witchcraft, anaana, hoopiopio, hoounauna, hoomanamana, or other superstitious or deceitful methods, shall, upon conviction thereof before a District Magistrate, be fined in a sum not less than One Hundred Dollars or be imprisoned at hard labor not to exceed six months.

MEDICAL PRACTICE ACT.

AN ACT

Regulating the Practice of Medicine and Surgery in the Philippine Islands.

By authority of the President of the United States, be it enacted by the United States Philippine Commission, that:

Section 1. The Commissioner of Public Health for the Philippine Islands shall appoint a Board of Medical Examiners for the Philippine Islands, with the advice and consent of the Board of Health for the Philippine Islands, consisting of three physicians, who shall be graduates of a legally chartered and reputable medical college and shall hold the degree of doctor of medicine. They shall hold office for three years after their appointment, and until their successors are appointed and qualified: Provided, That the first appointees shall be appointed for a period of one, two, and three years, respectively, as specified in their respective certificates of appointment from the Commissioner of Public Health: And provided further, That no member of the faculty of any school, college, or university where medicine or surgery is taught shall be eligible for appointment on said Board. Each person appointed to the Board shall qualify by taking and subscribing the following oath of office:

"I, ..., having been appointed a member of the Board of Medical Examiners for the Philippine Islands, do hereby solemnly swear that I am a graduate in good standing of the legally chartered medical college or university at ....., in the city of ....., that I will well and truly perform all the duties of said office, that I will faithfully account for all moneys coming into my hands as such officer, that I will bear true faith and allegiance to the Government of the United States, and that I take this oath without any mental reservation whatsoever. So help me God."

The oath shall be recorded and filed in the office of the Secretary of the Board of Health for the Philippine Islands. The Commissioner of Public Health shall fill any vacancy which may occur on the Board within one month after the vacancy occurs, and may remove any member of said Board for continued neglect of duty, incompetency, or for unprofessional or dishonorable conduct, with the advice and consent of the Board of Health for the Philippine Islands.

Sec. 2. The Board of Medical Examiners shall appertain to the Department of the Interior, so far as executive action may be required in connection with it. It shall organize immediately after the appointment of its members, and annually thereafter on the anniversary of its first organization, by electing from its members a president, who shall be its chief executive officer, and a secretary-treasurer. It shall procure and keep a seal with which to attest its official acts. The members of the Board, except the secretary-treasurer, shall receive as compensation the sum of two and one-half dollars ($2.50) each for each candidate examined for registration as doctor or licentiate of medicine, and one dollar ($1) each for each candidate examined for registration as undergraduate of medicine or midwife. The secretary-treasurer shall receive compensation at the rate of two hundred dollars ($200) per year, one-half of which amount shall be paid on the 30th of June and one-half on the 31st of December of each year. The amounts due the members of the Board of Examiners for compensation shall be paid from insular funds and disbursed by the disbursing officer of the Board of Health for the Philippine Islands. The secretary-treasurer shall execute a bond of five hundred dollars ($500), with good and sufficient sureties, which shall be approved by the Treasurer of the Philippine Archipelago, conditioned that he will pay to the Treasurer of the Philippine Archipelago all moneys received by him as treasurer, and that he will faithfully discharge all the duties of his office. He shall keep a record of the proceedings of the Board and a register of all persons to whom certificates of registration as doctors of medicine, licentiates of medicine, undergraduates in medicine, or midwives, have been granted under the provisions of this Act, setting forth the name, age, sex, and place of business of each, his post-office address, the name of the medical college or university from which he graduated or in which he has studied, if any, and the date of such graduation or term of study, together with the time spent in the study of medicine elsewhere, if any, and the names and locations of all institutions which have granted to him degrees or certificates of clinics or lectures in medicine and surgery, and all other degrees granted to him from institutions of learning.

Sec. 3. The Board of Medical Examiners shall meet in the city of Manila for the purpose of examining candidates desiring to practice medicine in the Philippine Islands on the second Tuesdays of January, April, July, and October of each year, after giiving thirty days' written or printed notice of such meeting to each candidate who has filed his name and address with the secretary-treasurer of the Board. The Board of Medical Examiners shall issue a certificate of registration to any person who furnishes satisfactory proof of having received a diploma as doctor of medicine from a chartered medical school or college in good standing or a degree as licentiate of medicine and surgery from the Saint Thomas University in the city of Manila, or who has received permission to appear before a medical board for examination with a view to obtaining a license to practice medicine, in accordance with the provisions of Circular Order of the Military Governor No. 5, issued February 25, 1900, and Circular Order No. 6, same authority, issued April 1, 1900, and who shall pass a successful examination before the Board as hereinafter described. The Board shall issue four forms of certificates of registration to persons who have been examined and favorably passed upon by the Board: One, for persons holding the degree of doctor of medicine; another, for persons holding the degree of licentiate of medicine; a third, for undergraduates in medicine, or "cirujanos ministrantes," and a fourth for midwives. Each certificate shall be signed by a majority of the members of the Board. The secretary-treasurer of the Board shall collect a fee of fifteen dollars ($15) for each certificate of registration as doctor or licentiate of medicine, and a fee of five dollars ($5) for each certificate of registration as "cirujano ministrante," or as midwife, issued by the Board.

Sec. 4. The Board shall, on or before the 30th of June of each year, make a report to the Secretary of the Interior of its proceedings during the past year, and of all moneys received and disbursed by it within that period.

Sec. 5. After March 1, 1902, it shall be unlawful for any person to practice medicine, surgery, or midwifery in any of its branches in the Philippine Islands, unless he holds a certificate of registration from the Board or has otherwise complied with the provisions of this Act. Any person in continuous practice of medicine, surgery, and midwifery, in any of their branches in the Philippine Islands prior to the passage of this Act may become a registered practitioner by submitting to the Board of Medical Examiners for the Philippine Islands a diploma of doctor or licentiate of medicine from a reputable medical school or college: Provided, That any person now a member of the highest class in the Saint Thomas University in the city of Manila who shall have pursued his studies in medicine and surgery in the said university for not less than five years, and shall receive a degree of licentiate in medicine and surgery from said university in the month of March, 1902, may likewise become a registered practitioner by submitting to the Board of Medical Examiners such degree on or before the first day of April, 1902. For the purposes of this section a physician who has been in the regular practice of his profession in these islands, but whose practice has been interrupted by trips abroad for study or pleasure only, shall be deemed to have been in continuous practice: Provided further, That any person who has passed the requisite examination before a board of examiners convened pursuant to Special Orders No. 5, Office of the United States Military Government in the Philippine Islands, dated February 25, 1900, and Circular No. 6, same authority, dated April 1, 1900, shall not be required to undergo another examination, but shall be entitled to be registered and to receive a certificate of registration as a licentiate of medicine. The fee for such certificate shall be ten dollars ($10): Provided further, That any person who has studied medicine in the Saint Thomas University of the city of Manila for a period of not less than two years and has received the title of "cirujano ministrante" from said university may be registered to practice medicine in remote towns of a province where no civilian doctor of medicine or licentiate of medicine is available, upon passing a satisfactory examination before the provincial board of health for the province in which he desires to practice and paying to its provincial treasurer a fee of five dollars ($5) for a certificate of registration, which shall thereupon be issued to him by the president of the provincial board of health.

Sec. 6. Every person hereafter desiring to begin the practice of medicine or surgery in the Philippine Islands shall apply to the Board of Medical Examiners for a certificate of registration as doctor of medicine, and such applicant shall submit to an examination in the following branches, to wit: anatomy, physiology, chemistry, materia medica and therapeutics, pathology and bacteriology, hygiene, surgery, practice of medicine, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence; and shall present a diploma of doctor of medicine from a medical school or college recognized as reputable by the Board of Health for the Philippine Islands. Examinations may be written or oral, or both. In case any applicant shall fail to pass a satisfactory examination, he shall not be permitted again to present himself for examination until a period of six months has elapsed.

Sec. 7. Every person holding a certificate of registration from the Board of Medical Examiners shall have it recorded in the office of the registrar of deeds in the province or provinces within which he may desire to practice, or in the city of Manila, as the case may be, before engaging in the practice of medicine, surgery, or midwifery, and until such certificate is so recorded, the holder thereof shall not exercise any of the privileges to practice medicine conferred therein. The holder of the certificate shall pay the registrar the usual fees for recording such certificate.

Sec. 8. The Board of Medical Examiners may refuse to issue any of the certificates provided for in this Act to an individual convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct. In case of such refusal, the reason therefor shall be stated to the applicant in writing. The Board may also revoke any such certificate for like cause, or for unprofessional conduct, after due notice to the person holding the certificate, and a hearing, subject to an appeal to the Board of Health for the Philippine Islands, the decision of which shall be final.

Sec. 9. Any person shall be regarded as practicing medicine within the meaning of this Act who shall treat, operate upon, prescribe or advise for any physical ailment of another for a fee, or who shall represent himself by means of signs, cards, advertisements, or otherwise as a physician or surgeon; but nothing in this Act shall be construed to prohibit the rendering of services in cases of emergency or the administration of family remedies, or to apply to medical officers of the United States Army, the United States Navy, or the United States Marine-Hospital

Service, or to phys[illegible] other countries [illegible] consultation [illegible] practicing medicine under the direct supervision of a preceptor who is a registered doctor of [illegible]

Sec. 10. Any person practicing medicine or [illegible] Islands without [illegible] registration herein provided for, or otherwise contrary to the provisions of this Act, shall, upon conviction, be punished by a fine of not more than one hundred and fifty dollars ($150), or by imprisonment for not more than ninety days, or both, in the discretion of the court.

Sec. 11. Any person desiring to practice obstetrics in the Philippine Islands shall be entitled to a certificate of registration as midwife from the Board of Medical Examiners, upon passing a satisfactory examination and paying to the secretary-treasurer of the Board a fee of five dollars ($5). The examination shall be of such a character as to determine the qualifications of the applicant for the practice of midwifery. Any person practicing midwifery in the Philippine Islands without first having obtained a certificate of registration herein provided for, or otherwise contrary to the provisions of this Act, shall, upon conviction, be punished by a fine of not more than fifty dollars ($50) for each offense: Provided, That this section shall not be construed to prevent a doctor of medicine or licentiate of medicine who holds a certificate of registration as such from practicing obstetrics, or to prohibit the gratuitous rendering of obstetrical services by a friend or member of the family of the patient, or to prohibit the rendering of obstetrical services by any person in a case of emergency, nor shall it apply to persons practicing midwifery in municipalities where there are no licensed practitioners.

Sec. 12. No person shall in any way advertise as a doctor of medicine, physician, or surgeon, or prefix or append the letters "Dr.," "M. D.," or "M. B." to his name, who has not had duly conferred upon him by diploma or degree from some college, school, or board of examiners legally empowered to confer the same, the right to assume said title; nor shall any person assume any title, or prefix or append any letters to his name with the intent to represent falsely that he has received a medical degree or license or certificate of registration. Any person violating this provision shall, upon conviction, be subject to a fine of not more than one hundred dollars ($100), or to imprisonment for not more than ninety days.

Sec. 13. Where the word "dollars" is used in this Act, it shall be understood to mean dollars in money of the United States.

Sec. 14. This Act shall take effect on its passage.

Enacted, December 4, 1901.

MEDICAL PRACTICE ACT.

AN ACT

Providing for the Organization of a Board of Medical Examiners.

Be it enacted by the Legislative Assembly of Porto Rico:

Section 1. The Governor, with the advice and consent of the Executive Council, shall appoint five learned, skilled and capable physicians, who shall have been residents of the Island of Porto Rico for not less than five years preceding their appointment, who shall constitute the Board of Examiners for the purpose of this Act. The physicians so appointed shall hold their respective offices for five years; provided that all vacancies occurring shall be likewise filled by appointment by the Governor by the advice and consent of the Executive Council; provided, also, that the first appointments under this Act shall be for the periods of one, two, three, four and five years respectively.

Sec. 2. The Board of Medical Examiners shall procure a seal, and on the first Tuesday of April of each year elect from among their members a president, secretary and treasurer. Three members of said Board shall constitute a quorum. The president and secretary shall have the power to administer oaths and the Board to take testimony in all matters relative to its duty under the provisions of this Act. The Board of Examiners shall hold meetings for examinations at the seat of government on the first Tuesdays of April and October of each year, and at such other times and at the same and other places as the Board may determine. The Board shall keep a record of all proceedings thereof, and also a register of all applicants for a certificate, with the age of the applicant, time spent in the study of medicine, and the name and location of all the institutions granting to such applicant, degrees or certificates of lectures attended in medicine or surgery. The register shall also show whether such applicant was rejected, or has received a certificate under this Act; such register shall be prima facie evidence of all the matters therein kept.

Sec. 3. Every person hereinafter wishing to practice medicine or surgery, or any of the branches thereof or midwifery in any of their departments in this Island, shall apply to said Board for a certificate or license so to do. Applications from such candidates shall be in writing and accompanied by proof that the applicant is a graduate of a medical school or institution in good standing and legally organized, and duly approved by the said Board of Examiners; if the diploma is found genuine, which fact the said Board of Examiners shall determine, and if the person presenting and claiming said diploma be the person to whom the same was originally granted, at a time and place designated by said Board, or at a regular meeting of said Board, said applicant shall be required to take an examination embracing those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine by respectable medical colleges in the United States. The examination of those who desire to practice midwifery, or any of the branches of medicine and surgery, shall be of such a character as to determine the qualifications of the applicants to practice them. All examinations provided for in this Act shall be conducted under rules and regulations prescribed by the Board, which shall provide for a fair and wholly impartial method of examination. After examination, such Board shall, if the candidate has been found qualified, grant a certificate or license to such candidate to practice medicine and surgery or any of the branches thereof or midwifery in Porto Rico, which said certificate can only be granted by the consent of not less than three members of said Board, and which said certificate shall be signed by the president and secretary of said board and attested by the seal thereof; provided, however, that all physicians and surgeons who hold certificates granted by the now existing Board of Medical Examiners shall be exempt from the provisions of this section.

Sec. 4. The Board may refuse to grant a certificate on account of unprofessional, dishonorable or immoral conduct. Before a certificate can be refused for such cause the Board shall serve in writing upon the applicant a copy of any charge or charges against him, and appoint a day for hearing, at which the applicant or any witness in his behalf may appear and give testimony in refutation of such charges. In case the Board after such hearing shall refuse a certificate to the applicant, the decision specifically stating the grounds upon which such refusal was made shall be reduced to writing and the copy thereof delivered to the applicant, upon demand of the applicant. Upon a like hearing the Board may refuse a certificate to any one who may publicly profess to cure or treat disease, injury or deformity in such a manner to deceive the public. The hearing provided for herein shall take place within twenty days after the service of the copy of the charges upon the applicant, unless further time is granted to the applicant, and the decision of the Board shall not be later than ten days after the day of hearing. The Board shall have power to revoke a ecrtificate or license in cases of unprofessional, dishonorable or immoral conduct. Before revoking any certificate or license a written complaint specifically stating the charges against the person whose certificate is to be revoked shall be delivered to all the members of the Board and a copy thereof be served upon such person twenty days before the time fixed by the Board for the hearing of said charges. The Board must fix the time, and the person whose license is to be revoked may produce testimony in refutation of such charges. After such hearing the decision of the Board shall be specifically stated in writing and a copy thereof delivered, on demand, to the person under charges.

Sec. 5. Every person obtaining a certificate from the Board must, within sixty days from the date thereof, have the same recorded in the office of the Secretary of Porto Rico and in the office of the Superior Board of Health. The Secretary of Porto Rico and the president of the Superior Board of Health shall endorse upon the certificate the date of record, and charge and receive the usual fees for such services, the fees to be paid by the applicant.

Sec. 6. Applicants who possess diplomas from reputable medical colleges, and who have been licensed by State Boards, may, upon the payment of a fee of $25, be licensed by the Board of Examiners without examination, if the said Board of Examiners so decides. Medical officers serving in the Army and Navy of the United States or in the United States Marine Hospital Service are exempt from examination, but are required to be registered by the Superior Board of Health and to pay a fee of $5.00.

Sec. 7. Any person practicing medicine or surgery, or any other branches thereof, or midwifery, within the Island contrary to the provisions of this Act shall, for each violation of the provisions of this Act, be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than $500 nor less than $50, or by imprisonment for not more than ninety days nor less than thirty days or by both said fine and imprisonment, as the court may determine. Any person shall be regarded as practicing within the meaning of this Act who shall append the letters M.D. (for Medical Doctor) to his or her name, who shall profess publicly to be a physician or surgeon, or who shall recommend, prescribe or direct for the use of any person any drug, medicine, appliance, apparatus or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body or for the cure or relief of any wound, fracture or bodily injury, or other deformity, after having received or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation.

Sec. 8. The fees for examination and for a certificate shall be as follows: $10 for an examination in medicine and surgery, and $5.00 for a certificate if issued; for all other practitioners $5.00 for an examination and $5.00 for a certificate if issued. For an examination in midwifery $5.00 and $3.00 for a certificate if issued. All fees shall be paid in advance to the treasurer of the Board of Medical Examiners, which fees shall defray the entire expenses of said candidate for examination before the said Board of Examiners. Any one failing to pass the required examination shall be entitled to a second examination within six months without fee. And the moneys so received shall be turned over to the Treasurer of Porto Rico by the treasurer of said Board, to be by him deposited in the Medical Board Fund, as hereinafter provided.

Sec. 9. Every member of the Board is hereby allowed the sum of $5.00 per day and mileage while in the active and necessary discharge of his duties, and there is hereby established a fund to be known as the Medical Board fund. The money in such fund shall only be paid out by warrant on said fund on an order drawn by the treasurer of said Board, countersigned by the president. The rate of mileage and attendance before said Board shall be 5 cents per mile. And the Board must report annually on the first Monday of July to the Governor, which report must show all the transactions of the Board, giving the number of applications received, and from whom received, the number of certificates granted and rejected, and the names of those receiving certificates and those rejected, giving the reasons therefor, the amount of money received, the expenses, the fees and mileage paid, and by whom received, and the amount of money remaining in said fund and such other information as the Governor may require; and the treasurer of said Board shall render to the Auditor of Porto Rico a monthly account of his receipts and disbursements.

Sec. 10. After the passage of this bill and the appointment of the Board thereunder, the archives and utensils pertaining to the latter Sub-delegation of medicine and all documents thereof shall be transferred to the Medical Board of Examiners.

Sec. 11. All laws, acts, orders and parts thereof in conflict with this Act be and the same are hereby repealed.

Sec. 12. This Act shall take effect from and after May 1, 1903.

Approved March 12, 1903.

AN ACT

Respecting the Profession of Medicine and Surgery.

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of British Columbia, enacts as follows:

1. This Act may be cited as the "Medical Act, 1898."

2. The members of the medical profession of British Columbia, heretofore incorporated under the name of "The Medical Council of British Columbia," shall be deemed to be and to have been from its first establishment, a body corporate by the name aforesaid, and the said name is hereby changed to that of "The College of Physicians and Surgeons of British Columbia," and under the changed name shall be deemed to be and to have been from its first establishment a body corporate, having perpetual succession and a common seal, with the power to acquire, hold and dispose of chattel property and real estate for the purpose of this Act, and to sue, and be sued in the manner usual with such corporations.

3. Every person registered according to the provisions of the "Medical Act," and any other Act of the Legislature of British Columbia relating to the medical profession shall be a member of the said "The College of Physicians and Surgeons of British Columbia."

4. Every person hereafter registered under the provisions of this Act, shall also be a member of the said College.

5. There shall be a Council of the said "The College of Physicians and Surgeons of British Columbia," to be elected in the manner hereinafter provided for in this Act; and referred to in this Act as the "Council."

6. The Council shall be composed of seven licensed medical practitioners, and no person shall be eligible for election as a member of the Council except he be a practitioner duly registered under this Act, or the Acts mentioned in section 3 of this Act.

7. The manner of holding such election shall, with respect to the time and the taking of the votes thereat, be determined by a by-law of the Council, and in default of such by-law the Lieutenant-Governor in Council shall prescribe the time and manner of holding such election or elections.

8. The members of the Council provided for by the sixth section of this Act shall be elected for the period of three years, but any member may resign his appointment at any time by letter addressed to the president or registrar of the Council.

9. Upon the death or resignation of any member of the Council it shall be the duty of the Registrar to forthwith cause a new election to be held in such manner as may be provided for by by-law of the Council; such election shall be conducted in accordance with the by-laws and regulations of the Council, but it shall be lawful for the Council during such vacancy to exercise the powers hereinafter mentioned.

10. The persons entitled to vote under this Act at any election shall all be duly registered practitioners, and no member of "The College of Physicians and Surgeons of British Columbia," who is in arrear for his annual fees or any part thereof shall be entitled to vote at elections for members of the Council, or be eligible for election as a member thereof.

11. In the case of any doubt or dispute as to the legality of the election of any member of the Council, it shall be lawful for the Council to hold and decide who is the legally elected member of the Council; and the person whom they decide to have been elected shall be and be deemed to be the member legally elected; and if such election be found to have been illegal, the Council shall have power to order a new election.

12. The Council shall annually appoint from amongst themselves a president, vice-president, a registrar, a treasurer and other officers as may from time to time be necessary for the working of this Act, who shall hold office during the pleasure of the Council; and the said Council shall have power to fix by by-law or from time to time the salaries or fees to be paid to such officers.

13. The Council shall appoint annually from amongst its members an "Executive Committee," to take cognizance of and action upon all such matters as shall be delegated to it by the Council or such as may require immediate interference or attention between the adjournment of the Council and its next meeting, and all such acts shall be valid only until the next ensuing meeting of the Council, but such committee shall have no power to alter, repeal or suspend any by-law of the Council.

14. The said elected members of the Council shall make rules and regulations as to the time and place of meeting of the Council and the modes of summoning meetings of the Council, and it shall be lawful for the president thereof, or, in the event of his absence or death, for the registrar to summon the same at such time and place as to him may seem fit, by circular or letter to be mailed to each member.

15. At least two weeks' notice of a meeting of such Council shall be given, and in the event of the absence of the president from any meeting the vice-president, or in his absence some other member, to be chosen from among the members present, shall act as president.

16. Four members of the Council shall form a quorum, and all acts of the Council shall be decided by the majority of the members present.

17. The president or vice-president when in the chair, and the chairman of any meeting, shall have the right to give a casting vote in addition to the vote otherwise entitled to as a member of the Council.

18. There shall be paid to the members of the Council such fees for attendance (not exceeding twenty dollars per day) and travelling expenses (not exceeding ten cents a mile one way), as may from time to time be fixed by by-law passed by said Council.

19. The Council shall cause to be kept by an officer appointed by them and to be called the Registrar, a book or register, to be known as "The British Columbia Medical Register," in which shall be entered the name of every person registered according to the provisions of this Act, or the Acts mentioned in the third section of this Act, and from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made or to be made by the Council respecting the qualifications to be required from practitioners of medicine, surgery and midwifery in this Province.

20. Those only whose names are inscribed in the book or register above mentioned, shall be deemed to be qualified and licensed to practice medicine, surgery and midwifery in this Province.

21. Such book or register shall at all times be open and subject to inspection by any duly registered practitioner in British Columbia.

22. Any person duly registered in "The British Columbia Medical Register" under the "Medical Act" or any Acts relating to the medical profession when this Act shall take effect, shall be deemed to be registered under this Act.

23. The Registrar shall, immediately upon his appointment, without the payment of any fee whatever, enter in the register the name of every person mentioned in the third section of this Act, and not already entered therein or duly erased therefrom.

24. Every person who possesses one or more of the following qualifications shall, upon complying with the requirements hereinafter stated and upon payment of the fees to be fixed for each particular class by by-law of the Council, be entitled to be registered on producing to the Registrar the documents proving such qualifications, and upon payment of the fees fixed by the Council not to exceed one hundred dollars, that is to say:—

(a) Every person who, upon the coming into force of this Act, was entitled to be so registered.

(b) The Council shall admit upon the register every person mentioned in chapter 48 of the Acts of Parliament of the United Kingdom, passed in the 49th and 50th years of Her Majesty's reign, duly registered under the "Medical Act" [Imperial], prior to and inclusive of the 30th day of June, 1887, upon complying with the orders, regulations or by-laws of the Council, and giving due proof of such registration, and that the person applying for registration has not lost the benefit of the same by reason of misconduct or otherwise.

(c) The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery, requiring at least four years' course of study, a diploma of qualification, provided that where the college or school of medicine did not require a course of study of at least four years, but a postgraduate course has been taken which in point of time

added to the college or school of medicine course completes a period of four years, it shall be deemed sufficient; provided also, that the applicant shall furnish to the Council satisfactory evidence of identification, and pass before the members thereof, or such of them as may be appointed for the purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon.

(d) Any homeopathic physician holding a diploma of qualification from any authorized school or college requiring at least a four years' course of study, which has been undergone by the applicant, may be registered under this Act upon passing before the Council, or such of them as may be appointed for that purpose, a satisfactory examination in the following subjects, viz.:—Anatomy, Physiology, Pathology, Chemistry, Obstetrics and Surgery.

25. It shall be the duty of the Registrar to keep his register correct in accordance with the provisions of this Act, and the rules, orders and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act.

26. The said Registrar shall perform such other duties as may be imposed upon him by the Council.

27. Each member of The College of Physicians and Surgeons of British Columbia shall pay to the Registrar, or to any person deputed by the Registrar to receive it, such annual fee as may be determined by by-law of the Council, not less than $2.50 and not more than $10.00 (ten dollars) toward the general expenses of The College of Physicians and Surgeons of British Columbia, which annual fees shall be payable on the first day of January, in the year for which the same is imposed, and obtain annually a certificate under the seal of The College of Physicians and Surgeons of British Columbia stating his qualification to practice, and that the certificate is in force for one year from its date; and such annual fee shall be a debt deemed to be due by the member to The College of Physicians and Surgeons of British Columbia and shall be recoverable with costs of suit in the name of The College of Physicians and Surgeons of British Columbia, in the County Court, Small Debts Court, or other Court having jurisdiction at the place where the member resides.

28. The Council from time to time, as occasion may require, make orders, regulations or by-laws for regulating the register to be kept under this Act, and the fee to be paid for registration.

29. Every person registered under this Act who obtains a higher degree, or any qualification other than the qualification in respect of which he has been registered, shall be entitled to have such higher degree or additional qualification inserted in the register, in substitution for, or in addition to the qualification previously registered, on the payment of such fees as the Council may appoint.

30. No qualification shall be entered on the register, either on the first registration or by way of addition to a registered name, unless the Registrar be satisfied, by proper evidence, that the person claiming it is entitled to it; and any appeal from the decision of the Registrar may be decided by the Council.

31. In the event of the Registrar being dissatisfied with the evidence adduced by the person claiming to be registered, he shall have the power, subject to an appeal to the Council, of refusing the said registration until the person claiming to be registered has furnished proper evidence, duly attested by oath or affirmation, before the Judge of any County Court.

32. If the Registrar make or cause to be made any wilful falsification in any matter relating to the register, he shall incur a penalty of fifty dollars and shall be disqualified from again holding that position.

Forfeiture of Right of Registration—Erasure of Names.

33. Any entry in the register, proved to the satisfaction of the Council to have been fraudulently or incorrectly made, may be erased from the register by an order in writing of the Council.

34. If any person procure, or cause to be procured, his registration under this Act, by means of any false or fraudulent representations or declaration, either verbally or in writing, it shall be lawful for the Registrar, upon the receipt of sufficient evidence of the falsity or fraudulent character of said representations or declaration, to represent the matter to the Council, and upon the written order of the President, attested by the seal of The College of Physicians and Surgeons of British Columbia, to erase the name of such person from the register, and to make known the fact and cause of such erasure by notice to be published in the British Columbia Gazette, and after such notice has appeared, the person whose name has been erased as aforesaid, shall cease to be a member of The College of Physicians and Surgeons of British Columbia, and shall cease to enjoy any of the privileges enjoyed or conferred by registration under this Act at any future time without the express sanction of the Council.

35. Any registered medical practitioner who, either before or after the passing of this Act, and either before or after he is so registered, has been convicted in any Court of any felony or misdemeanor, shall thereby forfeit the right to registration, and by direction of the Council his name shall be erased from the register; and in case a person known to have been convicted of a felony or misdemeanor present himself for registration, the Registrar shall have the power to refuse such registration; and if any person registered under this Act shall after due inquiry by the Council, be adjudged to have been guilty of infamous or unprofessional conduct in any respect, the Council may, if they see fit, direct the Registrar to erase the name of such person from the register.

36. The Council may, and upon the application of any three registered medical practitioners shall cause inquiry to be made into the case of a person alleged to be liable to have his name erased under the last preceding section, and on proof of such conviction, or of such infamous or unprofessional conduct, shall cause the name of such person to be erased from the register.

Provided, that the name of a person shall not be erased under this or the last preceding section on account of his adopting or refraining from adopting the practice of any particular theory of medicine or surgery, nor on account of a conviction for a political offense out of Her Majesty's Dominion, nor on account of a conviction for an offense which though within the provisions of the last preceding section, ought not, in the opinion of the Council or the committee hereinafter named, either from the trivial nature of the offense, or from the circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

37. The Council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made, which, when finally determined, is found to have been frivolous and vexatious.
